BAYLOR UNIVERSITY

Chartered by the Republic of Texas in 1845, Baylor University is the oldest university in continuous existence in the state and the largest Baptist institution of higher education in the world. Its 428-acre main campus in Waco offers facilities for an enrollment of more than 11,000 students.

Seventy percent of Baylor's entering freshmen rank in the top quarter of their high school graduating classes. Their scores on the ACT (23.2) and the SAT (1038) entrance examinations are well above national averages.

Baylor is owned by the Baptist General Convention of Texas and is governed by a board of trustees elected by the convention. The University accepts no direct funding from state or federal governments and relies on private gifts, tuition, denominational funding, and auxiliary enterprises to meet its approximately \$100 million current funds budget.

Through the University's \$26 million student financial aid program, which is the largest in the state and the largest at any private college or university in the Southwest, more than 65 percent of the student body receives some sort of assistance. Types of financial aid administered by Baylor include grants, scholarships, loans, and student employment.

The average cost to attend Baylor is about \$8,213 per academic year, including tuition, room, board, fees, and books.

Students from all 50 states and approximately 60 foreign countries are enrolled in Baylor's 35 degree programs with more than 100 major areas of concentration. The academic system consists of the College of Arts and Sciences, the Hankamer School of Business, the School of Education, the School of Graduate Studies and Research, the School of Law, the School of Music, the School of Nursing, and the University School.

In addition, the institution operates the Baylor University Health Care System headquartered in Dallas. It is the second largest private voluntary general hospital in the United States and a major treatment

and teaching center in the Southwest. Baylor also has affiliated degree programs in San Antonio with the U.S. Army Academy of Health Sciences and a master's degree program in Dallas with the Baylor College of Dentistry.

The University's academic program is enhanced by a system of institutes including archaeological studies, church music studies, environmental studies, gerontology, oral history, the Heinz Koeppler Institute (for studies on foreign and domestic affairs), and the J. M. Dawson Institute for Church-State Studies.

Other interdisciplinary programs offered at Baylor include Latin American studies, Asian studies, regional studies, American studies, foreign service, and museum studies.

At the heart of the academic environment is the University's library system, offering students a vast collection of comprehensive resource materials. More than 1.2 million books and documents are housed in Moody Memorial Library. Among the specialized libraries throughout the campus is the Armstrong Browning Library which contains the world's largest collection of materials relating to British poets Robert and Elizabeth Barrett Browning.

Students and other scholars make frequent use of the W. R. Poage Legislative Library Center (for graduate studies and research) which provides a wealth of information related to the U.S. government.

Visitors to the Baylor campus, and those involved in research on Texas topics, often spend many hours in The Texas Collection, a specialized subject library containing one of the largest collections of Texana in existence.

Another popular attraction is the Strecker Museum with about 20,000 visitors viewing its living and historical exhibits each year. Currently under development is the Gov. Bill and Vara Daniel Historic Village which will present life in a rural 19th century community for educational and research purposes.

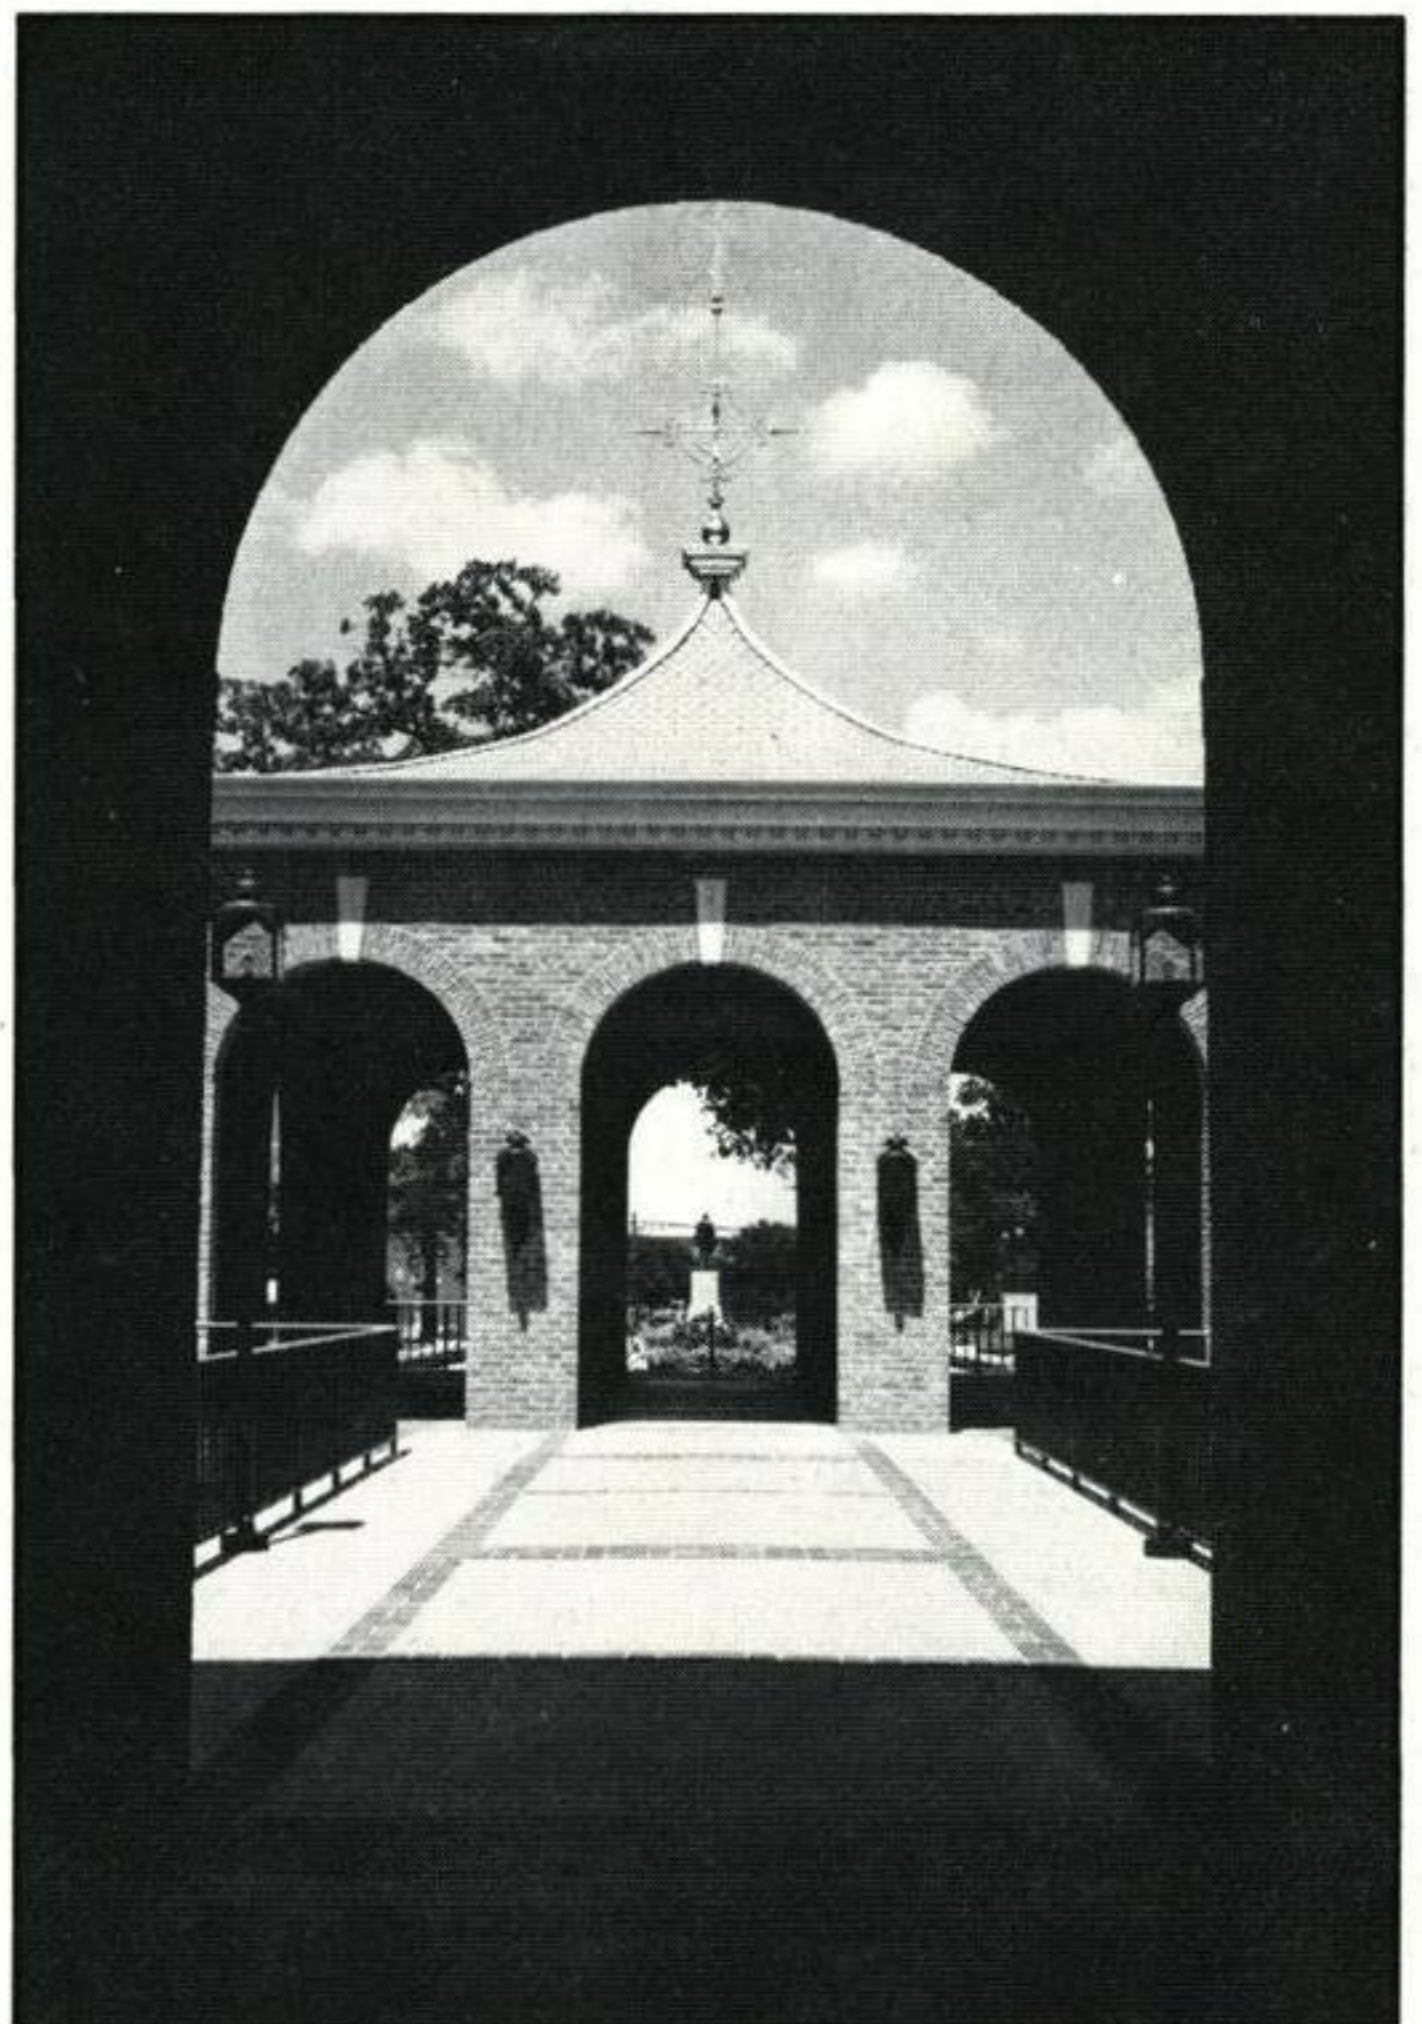

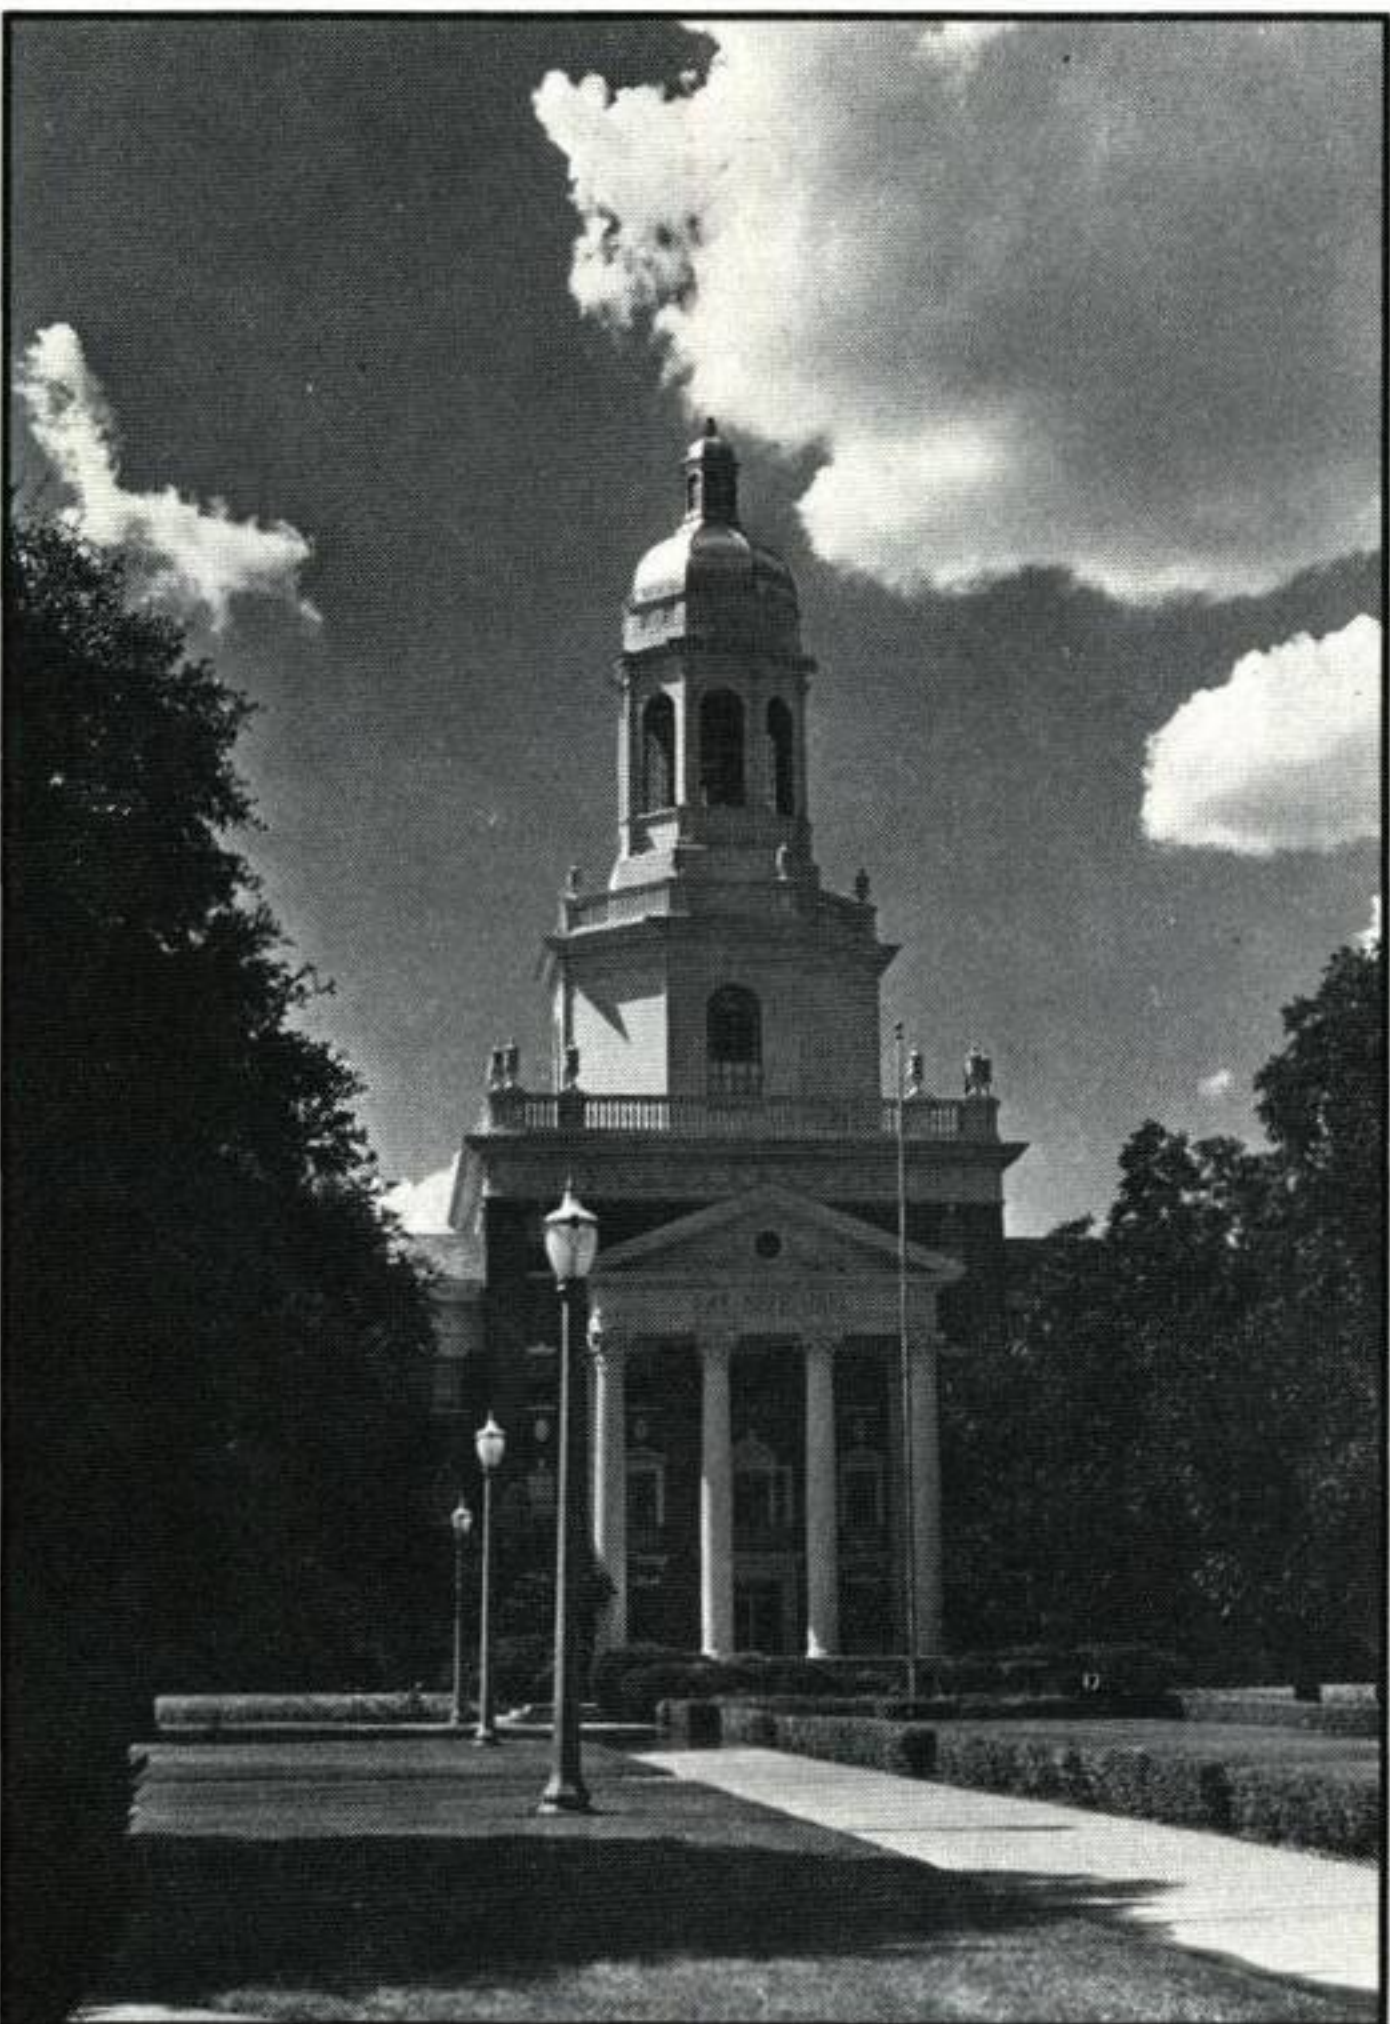

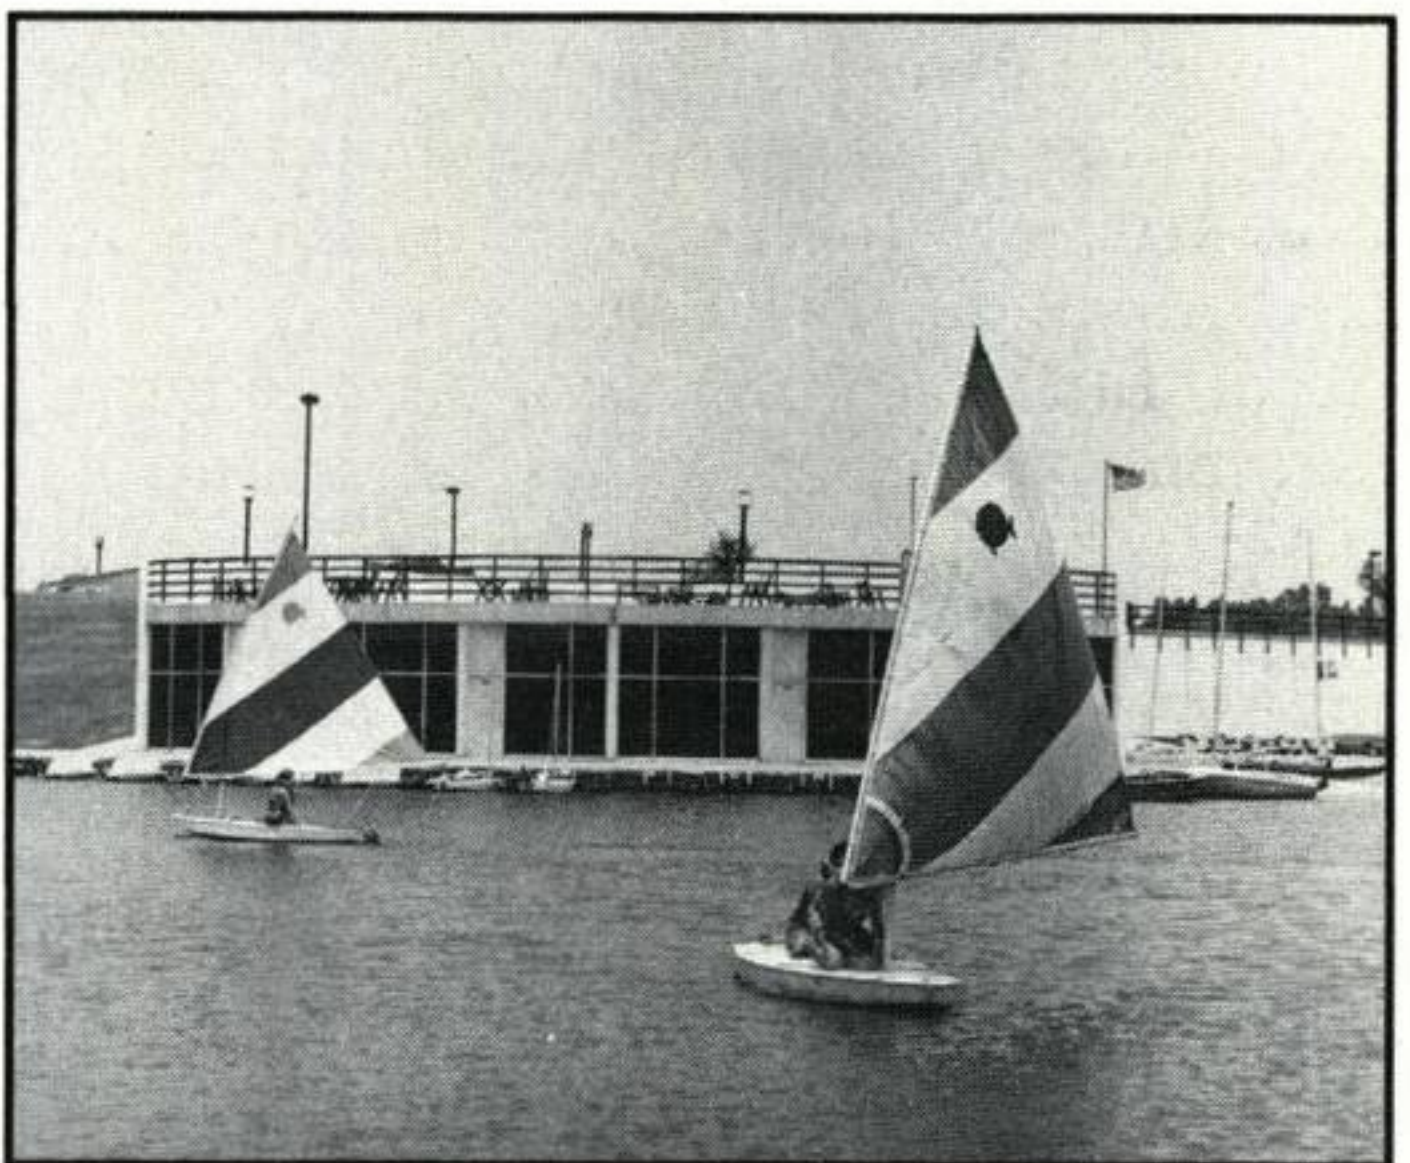

The Hankamer School of Business prepares some of the country's finest

professional business persons through quality undergraduate studies and an excellent graduate program. The school's national reputation as a leader in entrepreneurial studies continues through the operations of the Center for Private Enterprise and the John F. Baugh Center for Entrepreneurship. The Baylor Forecasting Service is acclaimed for its accuracy in regional and national economic forecasting. Other areas, such as the Center for Banking and Financial Institutions, the Bureau of Business and Economic Research, and the Center for Professional Selling and Sales Management further enhance the school's

educational opportunities.

The Baylor School of Law, the first law school established in Texas, has developed one of the finest trial advocacy programs in the nation, focusing on intensive practice-court and moot-court activities. Since the early days of law training at Baylor, the school has continued to produce lawyers thoroughly prepared to practice law.

Further proof of the caliber of Baylor's academic system is reflected by its Phi Beta Kappa chapter, membership in the Oak Ridge Associated Universities research program, and accreditation by many recognized accrediting agencies.

1988 BAYLOR FOOTBALL OUTLOOK

OVERALL—Football is said to be a game of inches and that axiom was never more true than in the case of the 1987 Baylor Bears. Just a couple of plays—only two breaks—would have given BU an eight win season with a chance to go to a bowl and win its ninth game for the third year in a row.

But, those key plays did not go Baylor's way so the Bears settled for a 6-5 mark and did not go bowling as they have four times in the 80s.

How the 1988 Bears respond to the challenge of getting back into the post-season picture remains to be seen. Just as in '87, enough ingredients are there. The level of success will depend upon how those pieces fall into place and whether or not the bounces can go Baylor's way.

Hoping to create some of those bounces will be a defense that should be good and could be truly outstanding. The secondary is rated among the nation's best heading into the season. Four starters return there, including three who won All-Southwest Conference mention a year ago.

The linebackers will be a plus, particularly if younger players come through as expected to provide depth. The line is the only part of the defense which presents any real questions, but that picture will brighten significantly if a couple of veteran players clear up academic problems over the summer. Their return would go a long way to strengthen Baylor's rushing defense.

With nine starters returning (assuming both linemen make it back) Baylor's 4-3 defensive scheme will be formidable indeed.

The offensive side of the ball, with only three starters returning, raises a few more questions, the biggest of which is the offensive line where every starter graduated. Baylor coaches decided to go with a youth movement in the line last spring. Its success will be a key to the overall offensive performance, especially in the running game.

And speaking of running, depth in the backfield is a concern as well. Without the return of all veterans and the emergence of some newcomers, injuries to backs could be devastating.

Because of the backfield problems and the types of skills Baylor's quarterbacks display, the Bear offense will use more I formation than in the past few years. The I has always been a part of Grant Teaff's attack, but the split back veer has been its backbone. This season those two formations will reverse roles with the I carrying most of the load and the veer being thrown in from time to time.

The idea is to better utilize Baylor's quarterbacks' passing ability while letting one back, rather than two, carry the bulk of the load.

The kicking game is in the able hands of two senior placekickers and one of the conference's best punters a year ago. The actual kicking should be quite good, but improvement needs to be made in the surrounding special teams play.

The Bears' early schedule, with three of the first four games on the road, will present problems to a young offensive team. It is hoped that a solid defense can carry the load while the offense gains experience and confidence.

Baylor could be as close—one way or the other—as it was last year to winning another bowl bid. Whether or not it does could come down to just a couple of breaks.

POSITION-BY-POSITION

QUARTERBACK—The biggest question surrounding Baylor's football future a year ago was who would take charge at quarterback. **Ed Lovell** won the starting job but went down with a season ending knee injury in the opening game. Lovell's injury forced **Brad Goebel** into duty and he responded with the best performance by a freshman quarterback in Southwest Conference history.

Goebel enters 1988 as a firmly established starter. Through last season and spring training he gained experience, confidence, consistency and leadership qualities that should again place him among the nation's best.

The consensus All-Southwest Conference signal caller and league Newcomer of the Year last season, Goebel has layed a strong foundation. How he builds upon it will

be a key to the Bears' success in 1988.

Lovell had a good spring after coming back from surgery. He will enter fall two-a-days as a solid backup to Goebel. It is expected he will be in a position to make a real contribution to the team.

Ricky Vestal will be a redshirt freshman who has all the tools but just needs some experience. A highly touted schoolboy two years ago, Vestal is, according to BU coaches, further along in his progress than Goebel at the same time. He gives the Bear unusual and important depth at the quarterback spot.

RUNNING BACK—Baylor's move to the I formation put senior **Charles Perry** at the starting tailback position and **Eric Gilstrap** at the fullback spot. Perry is a senior with good skills running and catching the ball while Gilstrap is known for his crunching blocks. They are good college running backs, capable of having the great day.

Backing up Perry will be speedster **Eldwin Raphael** and behind Gilstrap is former tight end **Scott Huckabay**. **James Jarmon** has some experience as a backup. **Michael Moore**, a junior college transfer, will get a long look at tailback as will fellow JC newcomer **Jarrold Oliver** at fullback.

Worthy of mention are two players whose status is unknown heading into two-a-days. **Jeffrey Murray** has shown flashes of greatness, but he has scholastic hurdles to clear over the summer. **Anthony Ray** must overcome his second knee surgery before he is ready to play. The highly touted freshman of a year ago will spend the summer in rehabilitation. Either or both players could provide a big boost to Baylor this season.

TIGHT END—Three-year starter **Kobe Fornes** graduated, but players with good experience and a talented sophomore return. Senior **David Bell** is a solid, competitive tight end. Sophomore **Steve Stutsman** had a great spring catching the ball and could play a much bigger role in BU's offensive scheme this fall. **Alonzo Pierce** gives good, young depth.

RECEIVER—The starting receivers from a year ago, **Matt Clark** and **Ben Baker**, graduated, but a bevy of gifted ones return. **Greg Anderson** is a great talent ready to emerge in his sophomore season. **Bobby Jack Goforth**, an SWC high hurdles finalist, has excellent hands to go with his speed and precise routes. **Darnell Chase**, an eight-time NCAA track All-American offers a tremendous threat with his blazing speed.

John Simpson may well be the outstanding receiver of the bunch if he can bounce back from a knee injury suffered early last season. Another track All-American, Simpson has all the tools. **David Frost** has come back from knee surgery as well to provide good depth, making the receivers a genuine asset.

OFFENSIVE LINE—After losing the entire offensive line to graduation Baylor coaches were forced to employ a youth movement to fill the gaps this fall. Anchoring the line will be center **Bobby Sign**, who though not young is in his first year playing for Baylor.

A three-year starter at Pittsburgh, Arlington native Sign spent last season on the scout team while establishing eligibility. The way he performed there and in spring training has Teaff labeling him "the best in the conference." Indeed, one NFL draft preview has Sign rated as the best senior center in the nation. He was named Sophomore All-American his second year starting at Pitt.

Youth definitely will be served in the two starting guard positions where redshirt freshmen are scheduled to start. **John Turnpaugh** and **Monte Jones** have more than adequate size (6-3, 328 and 6-2, 297, respectively) and strength. The test will be how they continue to develop consistent blocking skills.

Winning tackle spots in spring training were sophomore **Mark Bass**, a highly competitive player, and **Dennis Smith**, a senior with two letters as a reserve. Bass could have a fine future ahead of him with continued development, especially in the area of strength. Smith has improved tremendously after transferring to BU from North Texas State where he was a basketball starter his freshman season.

Three freshmen and two juniors are slated for important backup roles on the line. Redshirt freshmen **Matt Gantt** and **Stacey McGrew** will play guard and **Gary Camp** will hold down a tackle position. The other tackle will be junior **Larry Vasbinder** and the No. 2 center will be the **Scott McCool**, a fine deep snapper.

DEFENSIVE SECONDARY—Baylor may well have the best pair of safeties in the

nation in **Robert Blackmon** and **Mike Welch**. Both are juniors capable of landing spots on All-American squads this year. Blackmon is known as the great athlete similar to former BU great **Ron Francis** while Welch is the intelligent yet physical player in the style of former Bear All-American **Van McElroy**.

Both first team cornerbacks return for their senior years. **Ray Crockett**, like Blackmon and Welch, received All-SWC mention last year. **Norris Blount** is a big, physical corner who has steadily improved to the point where he too could receive post-season recognition.

The second team defensive backfield may eventually be as good as the starting unit. The only difference is age and experience. The safeties are **Daniel Morgan** and **Brian Hand** and the corners are **Malcolm Frank**, **Farias Walker** and **Frankie Smith**. They, along with incoming players **Melvin Bonner**, **Clifford Ellison**, **Yerritt Long** and **Trooper Taylor** make for a loaded situation in the backfield.

LINEBACKER—**James Francis** again stepped right off the basketball court onto the football field and made an immediate impact last spring. One of the best sixth men in the SWC on a hoop team that played in the NCAA Tournament, Francis will now devote all his energies to the gridiron. A second team All-Conference pick last year, Francis should be headed for better things in this, his junior season, at the weakside spot.

Holding down the middle is spring training's Defensive Most Valuable Player, **Gary Joe Kinne**. His maturity is starting to show now that he is a junior. **John Godfrey** made much the same kind of progress on the strongside. He is a talented sophomore who just needed time.

Darren Ligon, a steady senior, could back up any of the three linebacker positions. **Danny Servance** will see some action behind Francis and **Robin Jones** will get plenty of time behind Kinne. A big bonus this fall will be the return of **Gary Hays** who missed spring training with a foot injury. He is a quality junior.

DEFENSIVE TACKLES—The starting tackle spots will be in the capable hands of senior **Vincent Carpenter** and sophomore **Greg Oefinger**. Carpenter, one of the league's best shot putters, is a senior who works as hard as anybody in the program. Oefinger was outstanding as a freshman backup in 1987 and led all of Baylor's down linemen in tackles with 54. He could be an honors candidate before he graduates.

Senior **Willie Everett** was moved from the offensive line to provide depth and he responded with a good spring. Redshirt freshman **Marcus Moore** was most impressive through spring drills as well. He has the size (6-2, 305) to go along with great athletic ability. He still has a long way to go, but could wind up making a name for himself.

Senior squadman **Rod Duffie** provides good depth at both tackle positions. Junior college transfer **Lance Thompson** could figure into the picture too.

DEFENSIVE ENDS—If seniors **Eugene Hall** and **Sam Collins** return from off-season academic problems, Baylor could have as good a pair of ends as any team in the SWC. They are big, gifted athletes with the experience to be post-season honors winners. Their presence would go a long way toward making BU's rushing defense and pass rush as good as the pass coverage.

Having the talent but just needing experience is end **Santana Dotson**, one of the more enthusiastic players on the squad. Just a redshirt freshman, Dotson has a great future ahead of him.

The same could be said of sophomore **Reggie Howard**. Like Dotson, he just needs time. Junior **Darrin Franklin** provides good depth at the end spot. Ideally Dotson, Howard and Franklin would be part of a rotation system at end, easing into the lineup behind veteran players. Whether or not they have that luxury depends on the status of Hall and Collins when two-a-days begin.

KICKERS—Both kickers and fine punter return, giving the Bears the potential for a good kicking game. **Mark Mahler** has been a long field goal and kickoff specialist the past two years, and he is scheduled to handle those chores plus extra points this fall.

Mahler won a heated spring training battle over fellow senior **Terry Syler**. One of the top career scorers in school history, Syler has proven many times he is a good kicker. He and Mahler have the kicking chores in good hands.

Punter **Pete Rutter** received second team All-SWC honors last fall and is coming off an outstanding spring. He should be among the SWC's best. **Kent Brentham** represents good depth at punter.

COACHING STAFF

HEAD COACH GRANT TEAFF

GRANT TEAFF

Baylor Head Coach

Sixteen years at Baylor and 25 as a head coach have proven Grant Teaff is one of the nation's top coaches running one of college football's most solid programs.

Only three coaches—Penn State's Joe Paterno, Georgia's Vince Dooley and Michigan's Bo Schembechler—have served their respective schools longer than Teaff.

Teaff has the fifth-most Southwest Conference wins in history (63) and the seventh-most wins (96) by an SWC coach. Teaff is the nation's tenth-ranked active coach for total career wins (138), ahead of such figures as Johnny Majors, Lou Holtz, Don James and Earle Bruce.

And, as if the numbers are not impressive enough, Teaff has been named SWC Coach of the Year six times and national coach of the year once.

That Teaff has achieved such success at Baylor is nothing short of incredible.

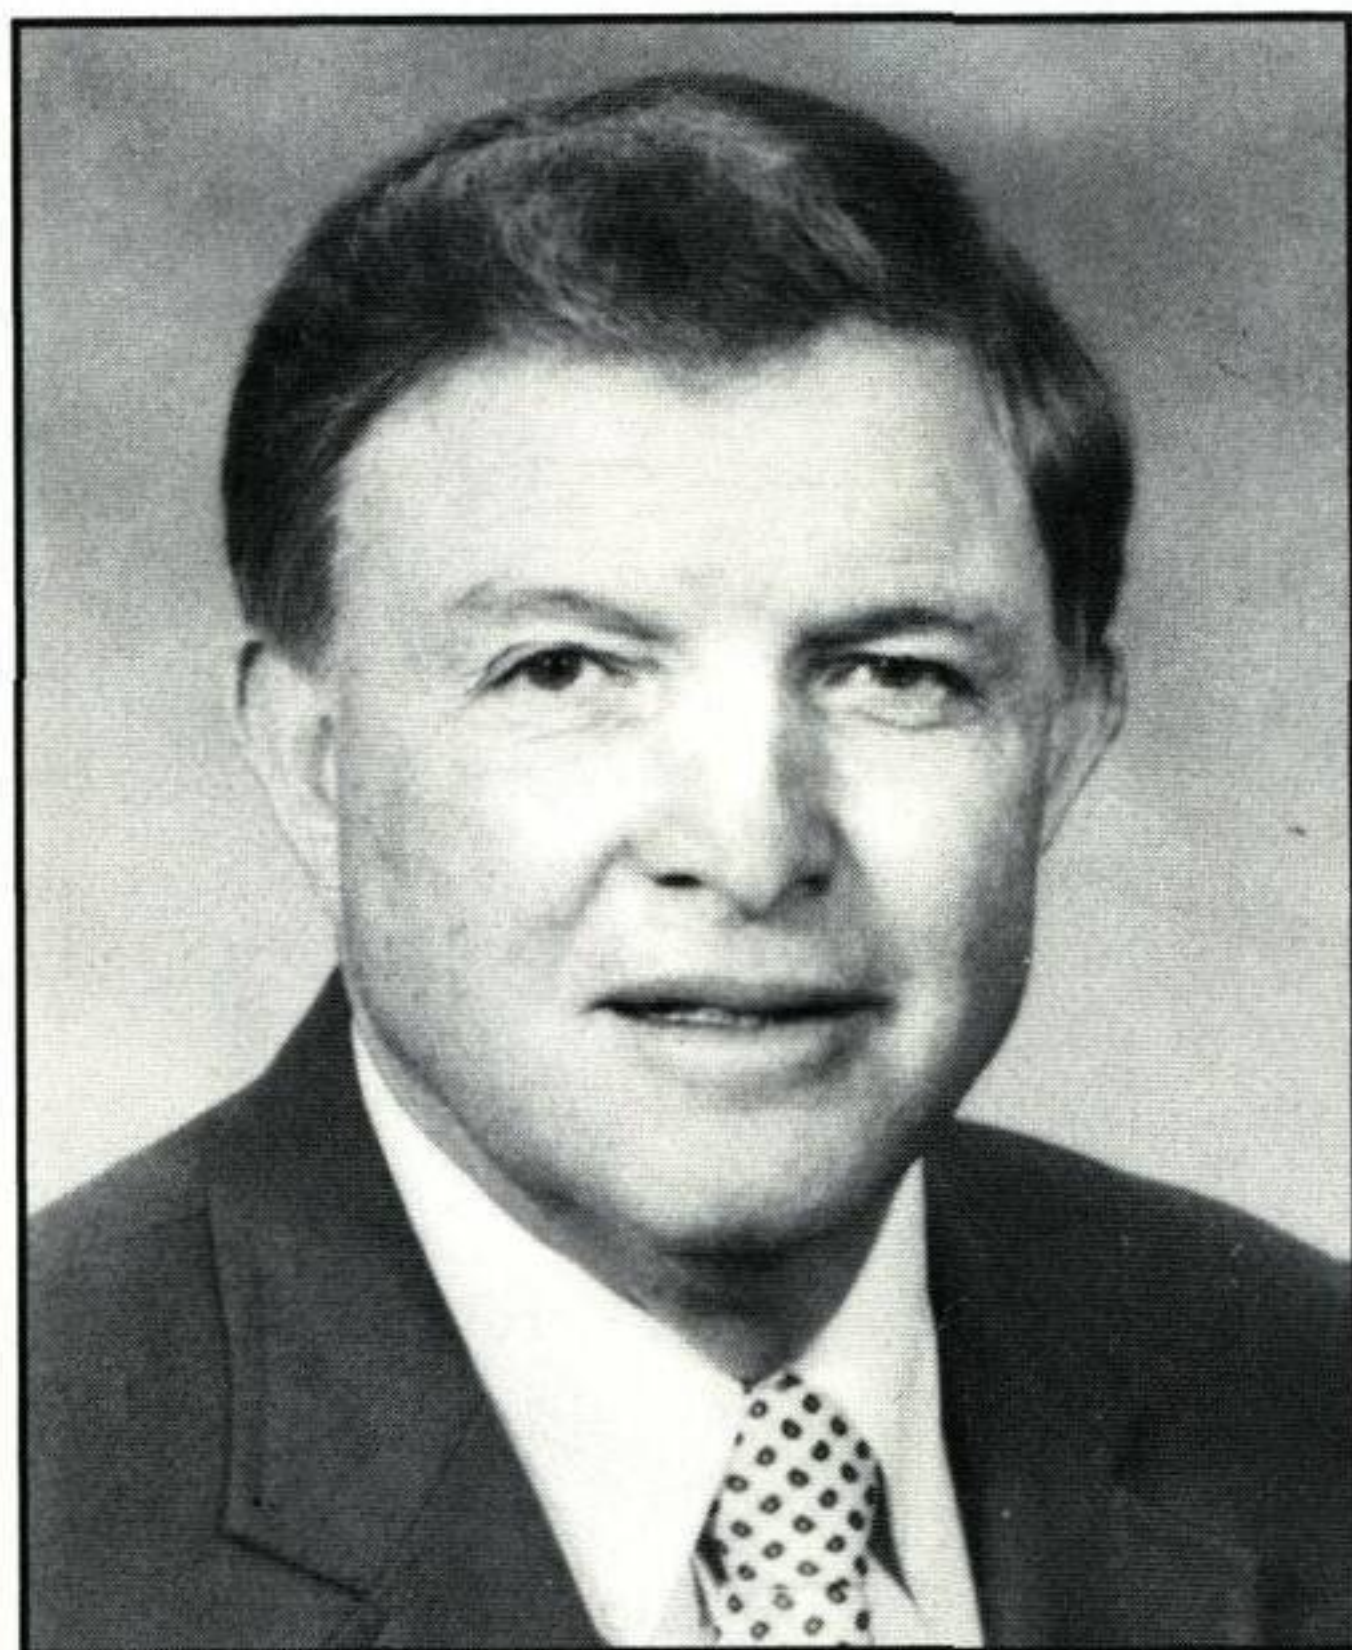

In 1972 he took over a Baylor program some experts said should drop out of the SWC. The Bears' 20th head coach inherited a team with a dismal 3-28 record the three years before he arrived. But worse than the on-field performance was the losing image the program held.

Teaff immediately went to work instilling a winning attitude in Bear faithful throughout Texas and it spilled over onto the football field. Teaff's first squad went 5-6 and came very close to earning a bowl bid. Only 13 points kept them from post-season play.

The Snyder native won SWC Coach of the Year honors in 1972 and repeated it two years later when Baylor produced "The Miracle on the Brazos," Baylor's first conference title in 50 years and first ever appearance in the Cotton Bowl. Teaff won National Coach of the Year honors that year as well.

That season broke the ice and convinced the world Baylor could not only compete with the Southwest Conference, but with any team in college football.

Since then the Bears have made a fairly regular habit of making a run at the conference title and earning a spot in a post-season bowl. In 1979 Teaff took a

team picked near the bottom of the SWC and finished with an 8-4 record and Peach Bowl victory over Clemson. Again, Teaff was named Coach of the Year.

The 1980 Bears were picked to finish sixth in the SWC, but instead finished sixth nationally with a 10-1 record. The Bears went 8-0 in the league and took the championship by a record three games. Also, the Bears broke 28 school records and led the conference in both offense and defense.

Teaff was again named Coach of the Year.

The 1983 season was another in which Teaff's Bears stunned the SWC. Picked eighth in the pre-season polls, suffering an incredible string of injuries and playing out of revamped offensive and defensive formations with a virtually new coaching staff, Teaff put together a seven-win season and won another Coach of the Year Award.

The last three campaigns have firmly established Baylor's solidity. In a story line that has become all too familiar, the 1985 Bears were picked eighth in the SWC. But Teaff's crew won nine games and set a number of school records. Baylor's only

three losses that year were to Top 20 teams on the road.

Only a gut-wrenching 17-10 loss to Texas in Austin kept the Bears from getting another conference championship ring and taking their third trip to the Cotton Bowl. Instead, Baylor soundly defeated LSU in the Liberty Bowl. After the season Teaff was given his sixth Coach of the Year Award.

In 1986 Baylor proved '85 was no fluke. They finished the season 9-3 and boasted offensive and defensive squads ranked near the top of the NCAA statistics.

Only a 31-30 loss to Texas A&M in College Station kept Baylor from winning the conference and going to another Cotton Bowl. Instead the Bears won the Bluebonnet Bowl 21-9 over Big Eight runner-up Colorado.

The 1987 Bears put together a third straight winning season, going 6-5 and coming within one play of heading to a bowl game.

In addition to producing winning football teams, Teaff has become recognized as one of college football's great statesmen. He helps shape the game as a member of the NCAA Rules Committee. He is also chairman of the American Football Coaches Association ethics committee.

With a 96-81-5 record, Teaff is Baylor's all-time winningest coach. His conference record is 63-57-3, and his overall coaching slate is 138-127-7. Since 1979 Teaff's Bears are 63-36-2.

Teaff has coached nine post-season all-star games, the East-West Shrine Game three times (including 1986), the Blue-Gray Game three times and the All-American Game, the Japan Bowl, and the Hula Bowl once each.

Teaff played two years of junior college football at San Angelo College and was an all-Texas Conference linebacker at McMurry College in Abilene. He was a multi-sports letterman at Snyder High School in West Texas. He captained teams at all three levels.

Teaff entered the coaching field at Lubbock High as an assistant coach. His alma mater, McMurry, then called him and he took the job as the nation's youngest head football coach. After a successful stay he went to Texas Tech as recruiting coordinator and assistant

football coach. His next move was to Angelo State where, in three years, he posted a 19-11 mark, including a 7-3 record in 1971.

In 1972 he was called to Baylor to begin the challenge of his life. Bear football hasn't been the same since.

Teaff's coaching philosophy places emphasis on personal development of the individual athlete and motivation to gain maximum performance. He has coached 13 Baylor players to first-team, All-American status and dozens more to All-SWC honors.

Nine of Teaff's former assistants have gone on to become head football coaches somewhere on the college level. Eddie Williamson took over the reigns at VMI and Joe Broeker became the head coach at Willamete. John O'Hara took the head job at Southwest Texas State, Bill Hicks became the head coach and athletic director at Howard Payne and Corky Nelson was appointed at North Texas State.

Dal Shealy (Richmond), Bill Yung (West Texas State, UT-El Paso), Ron Harms (Texas A&I), and Pat Culpepper (Northern Illinois) left earlier after training under Teaff.

Teaff is highly regarded for his speaking ability and is one of the nation's most sought-after speakers. He is recognized widely for his speeches on motivation to reach one's full potential. Teaff is one of the country's top football clinic speakers as well. He's active in the Fellowship of Christian Athletes, and has served on its board of directors. He is currently a member of the NCAA Football Rules Committee and is a trustee of the American Football Coaches Association.

In ceremonies at 1986 Homecoming, Teaff was awarded the Alumnus Honoris Causa for distinguished service to Baylor University. The award is given only to "a fraction of one percent" of those associated with the University.

Last summer he was given the highest honor bestowed by the Texas High School Coaches Association, the Distinguished Service Award.

Teaff and his wife, Donell, a former Texas Tech cheerleader, have three daughters. Tammy, Tracy and Layne are all Baylor graduates. The Teaffs also have one grandchild.

COTTON DAVIDSON

Assistant Head Coach

Quarterbacks and Receivers

Cotton Davidson, a member of the Baylor Athletic Hall of Fame, is beginning his sixth season as Baylor's assistant head coach and 17th year as a member of Grant Teaff's BU staff.

Davidson, who came to Baylor in 1972 when Teaff became head coach, has playing and coaching experience at every level of football.

Davidson was born November 30, 1931, in Gatesville where he still resides and ranches. He was a multi-sport star there before graduating in 1949.

Davidson, 56, earned three football and two baseball letters from 1951-53 at Baylor. He lettered at safety on Baylor's 8-2-1 Orange Bowl team and played backup quarterback to All-American Larry Isbell in 1951. He started at quarterback in 1952-53, completing 127 of 312 passes for 1,871 yards and 11 TDs. He was named All-Southwest Conference his senior year.

After his senior season, Davidson played in the East-West Shrine Classic, where he was a team co-captain, and in the College All-Star game in Chicago. Davidson graduated from Baylor in 1949 with a B.S. in physical education.

Drafted No. 1 by the Baltimore Colts, Davidson started three games as a rookie in 1954. In 1959, Davidson quit pro football and followed coach John Bridgers to Baylor to help install the Colts' famed offense.

With the formation of the American Football League in 1960, Davidson joined the Dallas Texans. He started two years and was named to the AFL All-Star team. He won AFL All-Star Game MVP honors in 1961 after tossing four touchdown passes.

From 1962-70, Davidson played for the Oakland Raiders and while there participated in the 1968 Super Bowl. During his career, Cotton played for such legendary coaches as Hank Stram, Weeb Eubank and current Raider owner Al Davis.

Davidson, who still has close ties to the NFL, rejected an offer to become the offensive backfield coach at Oakland when Teaff called in 1972. Since then he has tutored All-Southwest Conference quarterbacks Neal Jeffrey, Jay Jeffrey, Tom Muecke, Cody Carlson and Brad Goebel. All-SWC receivers Charles Dancer, Gerald McNeil, Bruce Davis and Matt Clark all blossomed under Davidson's tutelage.

Baylor's passing attack has gained over 2,000 yards every year since 1983. That year Cody Carlson and Tom Muecke combined for 2,468 yards passing and in 1986, the Bears broke that mark with 2,577 passing yards.

Cotton married Carolyn Mabry on June 5, 1954, in Breckenridge, and the couple has four children and three grandchildren. Son Tommy and daughters Kelly Wood and Tracy Sage are all Baylor graduates and son Ty is a Baylor student. Tommy was an outstanding wide receiver for the Bears from 1975-77 and was named to Baylor's All-Decade Team of the '70s. In his spare time, Cotton enjoys a little hunting and fishing.

F. A. DRY

Offensive Coordinator

Beginning his first season as Baylor offensive coordinator is F. A. Dry, who begins his fifth year on grant Teaff's staff. Dry became the offensive coordinator when Duke Christian left Baylor for an assistant's position at Tulane. Previously the Bears' offensive line coach, Dry will continue to focus on Baylor's offensive front in addition to his new expanded duties.

Dry, who joined the Bear staff in April of 1984, should know what it takes to produce outstanding linemen. He was an All-American center himself at Oklahoma A&M and has coached offensive linemen at every level of football.

A native of Fairland, Oklahoma, Dry earned 11 letters and was All-State in football before enrolling at Oklahoma State. After winning All-Conference and All-American honors there he received his bachelor's degree in 1953. He later earned his master's at OSU.

After serving in the U.S. Army, Dry coached in the high school ranks for five years before joining Glenn Dobbs' staff at the University of Tulsa as offensive line coach. Dry became TU's offensive coordinator in 1964 and the Golden Hurricanes responded by going 9-2 and 8-3 the following seasons. They made Bluebonnet Bowl appearances both years.

TU's 1964 team led the nation in total offense, passing and scoring while the 1965 squad led the country in total offense and scoring.

Dry left Tulsa in 1966 to become offensive line coach of the Houston Oilers. He was on the coaching staff that led the Oilers to the American Football League Eastern Division championship.

Dry went back to Tulsa as head coach midway through the 1972 season and later was elevated to the position of head football coach and athletic director. Starting with the 1973 campaign, the Golden Hurricanes reeled off four straight Missouri Valley Conference titles under Dry. TU was 6-5 in 1973, followed by 8-3, 7-4 and 7-4-1 seasons. He was named MVC Coach of the Year three times while compiling a record of 31-18-1 at Tulsa.

Dry moved to TCU in 1977 and was the head man in Fort Worth through 1982. At TCU, Dry posted a 12-51-3 overall record. He entered private business after leaving TCU, but came to Baylor when former line coach Eddie Williamson left to join Vince Dooley's staff at Georgia.

At Baylor, Dry, 57, has coached four All-Southwest Conference offensive linemen.

Dry and his wife, Jan, have three children. Diane is a Tulsa graduate while Mike was a football letterman at TCU. The youngest is Becky, a Baylor student. The Drys also have two grandchildren.

PETE FREDENBURG

Defensive Coordinator

Entering his sixth season as Baylor's defensive coordinator, Pete Fredenburg has established himself as one of the Southwest Conference's premiere assistant coaches.

With Fredenburg at the helm, the Bears have boasted defenses that have been ranked among the nation's best against both the pass and run. The 1984 Bears were 10th in the nation against the run while 1985's pass defense finished third nationally. In 1986, Baylor ranked third nationally in total defense and sixth in rushing defense.

Fredenburg, 41, joined the Baylor staff in 1980 as a part-time defensive end coach. He went full-time and took over defensive line duties in 1981 when Bill Hicks left to become Howard Payne's head coach. When Billy Mills left the Baylor defensive coordinator position after the '82 season, Fredenburg replaced him.

Born September 15, 1946, at Lubbock, Fredenburg was raised in Clifton, where he earned All-District honors in four sports. After graduating from Clifton High School in 1965, he went to Southwest Texas State in San Marcos.

Fredenburg became the Giddings' head coach in 1977. In two years there his teams went 12-8 and finished second in the district twice.

Since becoming a Baylor staff member, Fredenburg has coached All-Southwest Conference performers Charles Benson, Max McGeary, Steve Grumbine, Derek Turner and Kevin Marsh. Benson also earned All-American honors.

JOHN GOODNER

Linebackers

One of the strongest spots on the 1988 Baylor football team should be the linebacking positions and Bear fans can thank linebacker coach John Goodner for that situation.

Entering his seventh year as Bear linebacker coach, Goodner has tutored several outstanding pupils, including all-Southwest Conference performers Kevin Hancock and Ray Berry and also standouts Robert Watters, Aaron Grant and Alan Jamison (currently a graduate assistant on the Baylor staff).

Goodner joined the Bear staff July 15, 1982, replacing linebacker coach Corky Nelson, who moved on to the top spot at North Texas State.

Goodner, 44, was a successful veteran high school coach in Texas before joining the Bear staff, but his roots go back to his native state of Oklahoma. Goodner was born February 26, 1944, in Snyder, Oklahoma and grew up to be a star high school athlete in Frederick.

He graduated from Frederick High School in 1961 after earning nine letters in football, basketball and track. Playing quarterback and linebacker, Goodner was an All-State selection in 1960.

He then went on to letter three years, 1964-66, for coach Otis Delaporte at Southwestern Oklahoma State in Weatherford. In 1966, Goodner was chosen as an All-Conference linebacker. He earned his bachelor's and master's degrees from Southwestern State in 1967 and 1973, respectively.

Goodner's first coaching job was at Noble High School. His team went 6-4 that season. In 1973 John moved to Denison High School as head coach. He put together a 14-15-1 slate at Denison.

In 1976 he moved to Waxahachie and led the school to two district titles in his six years there. His overall record with the Indians was 35-26-1. While at Waxahachie, Goodner coached three players who went on to be Baylor Bears: Glenn Pruitt, Broderick Sargent and Buzzy Sawyer.

ROBERT JAMES Defensive Ends

Robert James has distinguished himself by coaching at least one All-Southwest Conference defensive end four of the five years he has been a Baylor staff member.

James joined the Baylor staff in July, 1983, and that season end Ervin Randle won All-Conference honors. The next year Derek Turner and Randle were named to the elite squad, and Turner added his name to the list again in 1985. It was Kevin Marsh who made All-SWC in 1986.

James came to Baylor with a wealth of experience at the high school and college levels. He came to Baylor after leading Gainesville to three consecutive state play-off appearances. Prior to that he held head coaching positions at Lamesa and San Antonio MacArthur.

Overall, James put together a record of 103-37-4 as a high school head coach.

James lettered three years in football and two in track at Snyder High School. He graduated from Snyder in 1957 after earning All-District honors for coach John Conley, who went on to become the athletic director at Texas Tech.

He then went to McMurry where he earned three letters playing for his current boss, Grant Teaff. Before graduating in 1961, James earned All-Texas honors as an offensive and defensive tackle.

The 49-year-old James started his coaching career at Abilene's Jefferson Junior High in 1961. Following that he was an assistant at Winters in 1962 and '63 and Temple in 1964.

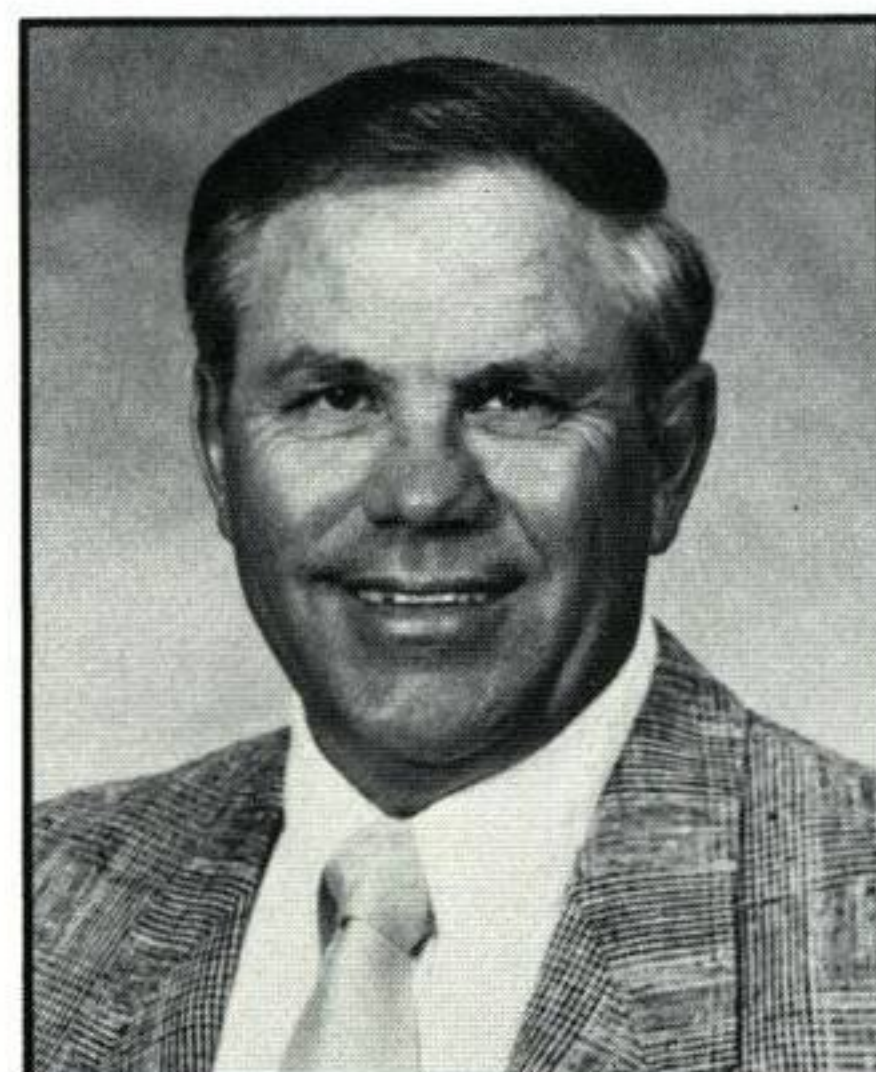

He took his first head job at Lamesa in 1965 and remained there until 1974. In 1972 James guided the Golden Tornadoes to a district title. The following year his squad reached the Class AAA state semi-finals.

He spent the 1975-77 seasons at San Antonio MacArthur. The Brahmas were regional finalists in 1975. That same year, James served on the board of directors of the Texas High School Coaches Association and was on the selection committee for that organization's annual All-Star Football Game.

James entered the college ranks in 1978 at New Mexico. He spent two seasons coaching the offensive and defensive lines before taking over the reins at Gainesville in 1980. He made a pair of play-off appearances there before Teaff offered him a position prior to the 1983 season.

Since then he has consistently tutored Baylor's ends into some of the nation's best.

RICK SMITH

Secondary

Rick Smith has made his mark in only one year as Baylor's secondary coach after coming to Waco from the University of Alabama.

Last year, Robert Blackmon was a consensus first team all-Southwest Conference safety. The Baylor secondary should be one of the team's strengths in 1988.

At Alabama, Smith, 40, coached the third-ranked secondary in the Southeastern Conference. The Crimson Tide went 10-3 and finished the season with a convincing Sun Bowl win over Washington in 1986.

Prior to his one-year stint under Ray Perkins at Alabama, Smith spent four years coaching the defensive backs at Georgia Tech under head coach Bill Curry. Before going to Georgia Tech, he was athletic director and head football coach at Marianna (Fla.) High School from 1979 to 1982.

Also broke Ford's mark for freshman passing efficiency rating with a 113.7, compared to Ford's 107.1 . . . DR. HERBERT H. REYNOLDS **President** **Baylor University**

A native of Frankston, Texas, Herbert H. Reynolds has been president of Baylor University since June 1, 1981. The educational arena has always been preeminent in his life.

From 1946 to 1952, while on active Air Force duty, Dr. Reynolds earned a Bachelor of Science degree from Trinity University. During the next four years, while serving in Air Force leadership positions in both the United States and the Far East, he completed studies at the University of Denver and the Air University. In 1956, he became an Assistant Professor of Air Science at Baylor, and over the next five years continued his academic pursuits by earning the Master of Science and Doctor of Philosophy degrees in Experimental Psychology.

Selected to join the faculty of the Air Force Academy in 1961, he was diverted to the Aeromedical Research Laboratory at Alamogordo, New Mexico, where he became Director of Research. For the next six years he led this highly diverse and complex laboratory in unique research activities associated with the United States space program, specifically the Project Mercury, Gemini and Apollo NASA endeavors. In the midst of producing some fifty publications and maintaining flying status as an Aviation Psychologist, Dr. Reynolds also served as an adjunct graduate faculty member of both Baylor and the University of New Mexico. During his last year of Air Force duty, he was the establishing Commander of the Air Force Human Resources Research Laboratories.

In 1968, at age 38, he retired from the Air Force, having completed twenty years active duty with five decorations for meritorious service. The next year he returned to Baylor University as executive vice president, and on June 1, 1981 was named the eleventh president of the institution.

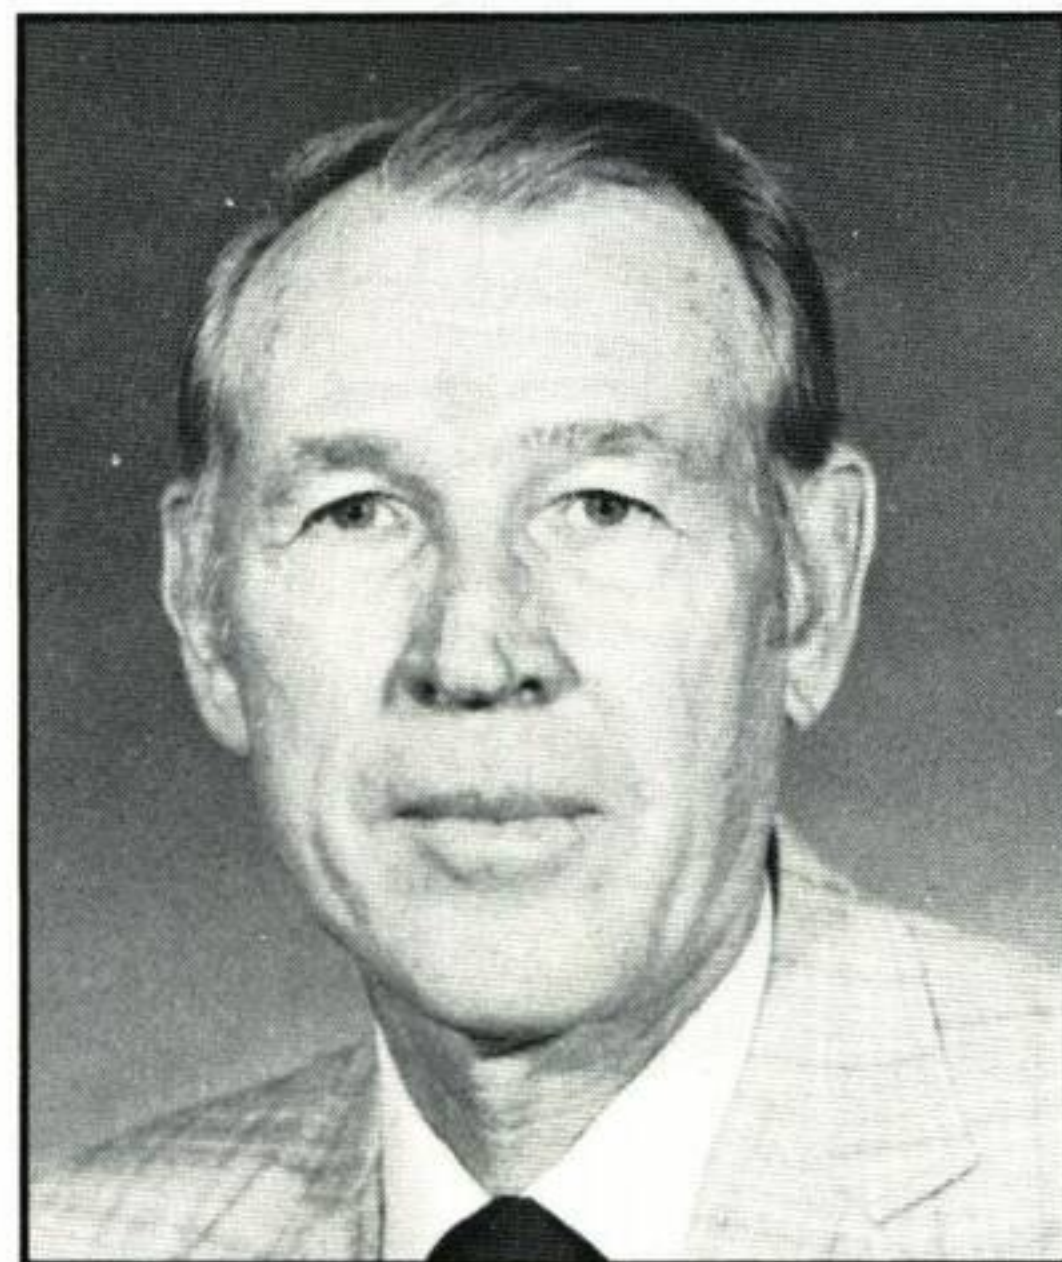

During the last seven years the University has become firmly established as one of the prime leaders in higher education in America. Several new and innovative programs have been established, \$50 million in additional facilities have been added, the endowment has tripled and the total net assets of the University have more than doubled. In 1986, Dr. Reynolds was named one of America's one hundred most effective university chief executives in a study funded by the Exxon Education Foundation of the 3,400 presidents of American colleges and universities.

A trustee of the Baylor College of Medicine and the Baylor College of Dentistry, Dr. Reynolds also is a director of the National Association of Independent Colleges and Universities, the Association of Texas Colleges and Universities, and the First Savings and Loan Association, the Community Bank and the Chamber of Commerce of Waco. In addition, he is a deacon and former deacon chairman of the First Baptist Church of Waco, a 32nd degree (KCCH) Mason, and is a member of some 35 honor and professional societies. He is listed in *Who's Who in America*, *Who's Who in the South and Southwest*, *Who's Who in Science* and *Who's Who in Education*.

Dr. Reynolds and his wife, Joy, who also is a Baylor graduate, have two sons and a daughter, all of whom earned degrees from Baylor. Grandchildren Jonathan and Melinda will be in the classes of 2003 and 2004 respectively.

BILL MENEFFEE

Athletic Director

Overseeing the entire operation of Baylor's intercollegiate athletic program is Bill Menefee, now in his ninth year as athletic director.

Menefee, who succeeded Jack Patterson on September 1, 1980, came to Baylor in 1947 as a physical education instructor and assistant basketball coach. His Baylor Cub freshman basketball teams went 68-50 in ten seasons. The Bear varsity squad captured four Southwest Conference championships while Menefee worked as Bill Henderson's aid.

With Henderson's retirement in 1961, Menefee took over the Bear coaching reins. His first team was 4-20 and the Bears were 18-54 after Menefee's first three seasons. In 1965, the Bears vaulted to a second place finish in the SWC and a 15-9 record. Baylor enjoyed seven winning seasons over the next eight years.

Menefee won Southwest Conference Coach of the Year honors following the 1965, 1968 and 1969 campaigns. Baylor finished second in the conference each of those seasons, despite pre-season predictions that tabbed his teams for lower finishes.

Throughout Menefee's coaching career, he was regarded as an outstanding teacher. During his tenure, Baylor's tallest player stood only 6-feet-7. Menefee continuously and effectively countered this liability, usually by giving opponents fits with a tenacious full-court press.

In 12 years (1961-73), Menefee coached the Bears to 149 wins and 144 losses.

Currently, Menefee is involved in helping the Baylor Athletic Department reach its goal of gaining \$25 million in Athletic endowment by 1993. His goal is to have 200 scholarships endowed over a ten-year period.

A native of Grand Falls, Menefee earned All-American honors in 1943 at North Texas State as a forward. He served as captain of the Eagles two seasons and led NTSU to a third place finish in the NAIA National Tournament his senior year.

He is married to the former Dorothy Winford, a Dallas native, and they have two children—Pete, an attorney in Jacksonville, and Mrs. Carol Spear, a special education teacher in Waco. They have three grandchildren.

Menefee plays a mean game of tennis in his spare time and also enjoys fishing now and then.

DAVID GUINN

Baylor Athletic Council Chairman

Baylor School of Law professor David M. Guinn is in his ninth year on the Baylor Athletic Council and his third year as that group's chairman. Guinn also serves as Baylor's faculty representative to the Southwest Conference.

Guinn grew up in Cleburne and graduated from high school there before entering Baylor in 1957. He finished his J.D. at Baylor in 1963 and completed work on his LL.M. at the University of Michigan in 1966.

He has been a member of the School of Law's faculty since that time and currently holds the R. W. and Louise Morrison Chair of Constitutional Law.

Guinn is a member of the Supreme Court Historical Society and the State Bar of Texas.

MARIE ABEL

Assistant Athletic Director

Marie Abel, who is in her 37th year of service to Baylor University, was named assistant athletic director in 1981. She is in charge of office management, travel arrangements, game-day operation and ticket sales at Baylor.

Abel has long been recognized as one of the outstanding individuals in her field. In 1981 she received the prestigious Athletic Business Manager of the Year Award from the National College Athletic Business Managers Association (CABMA). In 1982 she became the first woman president of that organization.

Abel, a native Wacoan and former Baylor student, began working for the university in 1948. She held a position in the registrar's office two years and in 1950 took a leave of absence while her husband was in the service.

She returned to Waco in 1953 and started working in the Baylor alumni office. She then took a job in the university's purchasing and budget department before joining the athletic department in 1961.

She has worked under four Baylor athletic directors since then: John Bridgers, Bill Henderson, Jack Patterson and current BU head man Bill Menefee.

Marie has four children: Jim, who resides in San Jose, California and John, an Austin businessman; Mrs. Janet DeClue, a businesswoman in Temple; and Mrs. Judy Linder of Austin. She also has four grandchildren.

T. C. (Skip) COX

Assistant Athletic Director

Skip Cox was named assistant athletic director in October, 1984, after serving 12 years as Baylor's head trainer and equipment manager.

In his position, Cox enthusiastically handles daily business matters, oversees the budget and supervises athletic department facilities. Cox is well known in the Baylor community as a man who will get the job done, no matter how big the task.

Cox, 46, is a past president of the Southwest Athletic Trainers Association and is a current member of the National Athletic Trainers Association. He is licensed by the State of Texas as an athletic trainer.

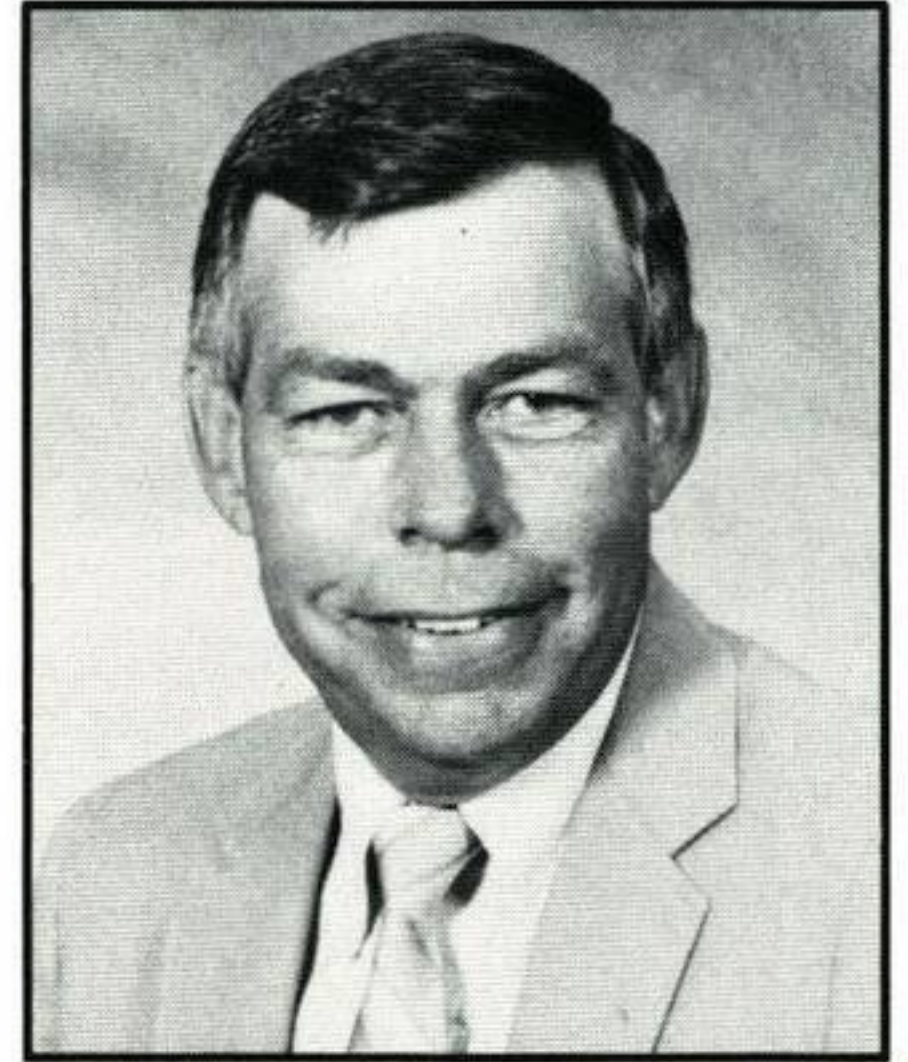

Since coming to Baylor, Cox has been instrumental in the placement of former student trainers. Mike Sims is currently Baylor's head trainer and Tom Tacker is head trainer of the Waco Independent School District.

Mike Chandler, currently the head trainer at Texas A&I, and David Chandler, Baylor's assistant trainer, also learned the ropes under Cox. There are high school trainers in every corner of the state that did their student training under his guidance.

Born March 11, 1942, in Stephenville, Cox graduated in 1960 from Mineral Wells High School. In 1964, he earned his bachelor's degree from North Texas State. Cox earned his master's in 1965 from NTSU.

From 1965 to 1967, Cox was head trainer at Amarillo Palo Duro High School and later moved to Odessa High School in the same capacity. North Texas State hired him as head trainer in 1968 and he held the position through 1972.

Cox married Linda Kay Stone in 1962 and the couple has five children—Shannon, a Baylor graduate, Troy and Gailey, currently Baylor students, Kyle and Jeffrey.

CLYDE HART

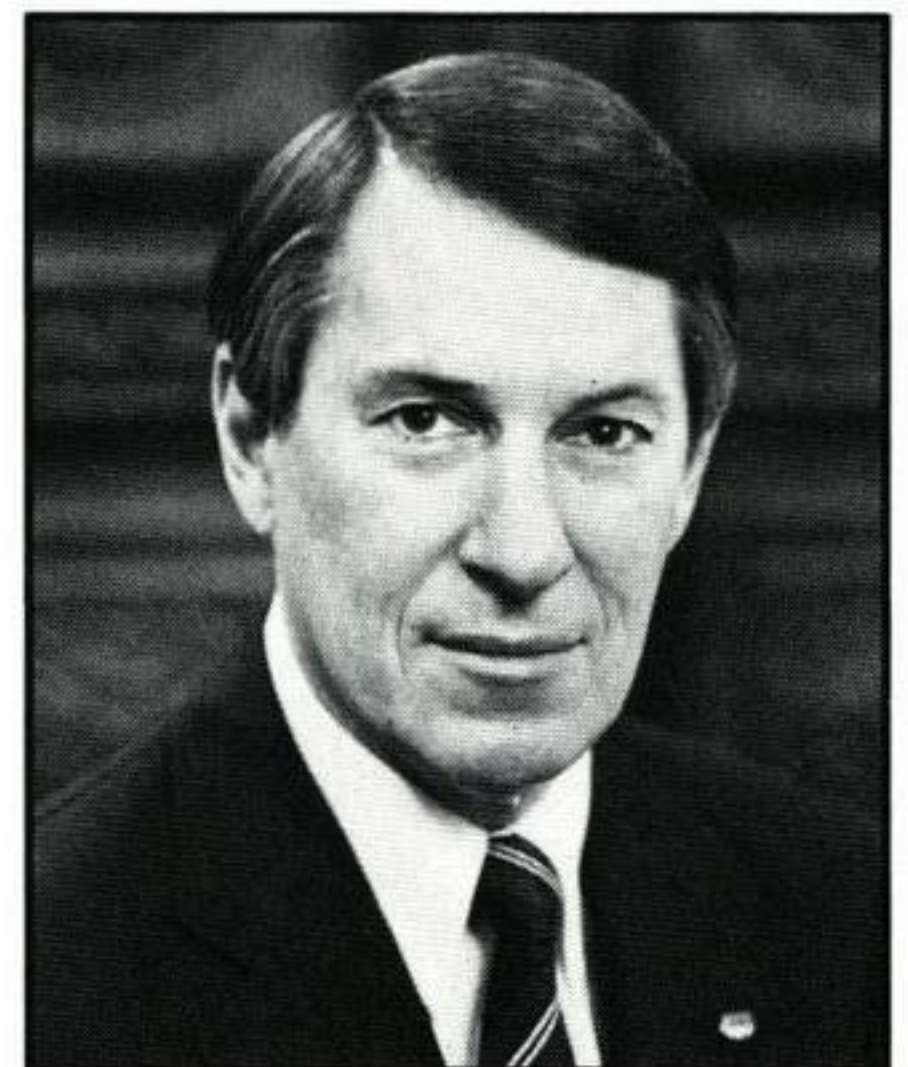

Assistant Athletic Director **Head Track Coach**

Clyde Hart, who is in his 26th year serving the Baylor Athletic Department, holds the dual title of assistant athletic director and head track coach.

Hart is in charge of NCAA and Southwest Conference rules interpretations for all Baylor sports in addition to his duties heading the men's and women's track programs.

Hart has become recognized as one of the nation's best college track coaches. His 1985 squad finished third nationally both indoors and outdoors, the second highest finishes ever by any Baylor athletic team.

Included in Hart's many success stories over the years are Willie Caldwell's indoor 500-meter world record, Todd Harbour's mile run collegiate record, a 1,600-meter relay collegiate record and national championship and numerous all-time Southwest Conference best performances.

Hart has coached 51 NCAA track and field all-Americans. His relay teams have set American, collegiate, Southwest Conference and junior world records at a variety of distances.

Hart is perhaps best known for his tutoring of 400-meter runners. Included in his list of stellar pupils in that event are eight-time all-American Mark Collins, former SWC record holder Zeke Jefferson, ten-time all-American Johnny Thomas, Caldwell and Raymond Pierre. Hart's 1,600-meter relay teams have reached the NCAA finals ten of the last 12 years and have won the Texas Relays five of the last eight.

Hart enjoyed record-setting careers as a high school sprinter in Arkansas and college runner at Baylor. After graduating from Baylor in 1956, he returned to his native state and coached five consecutive state championship teams at Little Rock Central High School.

He returned to Baylor in 1963 and since then his charges have set every mark in the Baylor record book.

Hart has contributed greatly to the recent success of many of the United States' top international track and field performers through his work with the U.S. Olympic Committee. He is currently the head of Olympic talent development in the South and is a member of the Olympic sprint development committee.

In 1985 Hart was recognized by the Texas Sports Writers Association as the state's Senior College Spring Coach of the Year.

Hart and his wife, Maxine, also a Baylor graduate and professor in BU's Hankamer School of Business, have two grown sons, Greg and Scott.

BOB FIX

Strength Coach

When a newspaper survey taken several years ago revealed that Baylor had by far the strongest football players in the Southwest Conference, it came as no surprise to the man in charge of Baylor's strength program, Bob Fix.

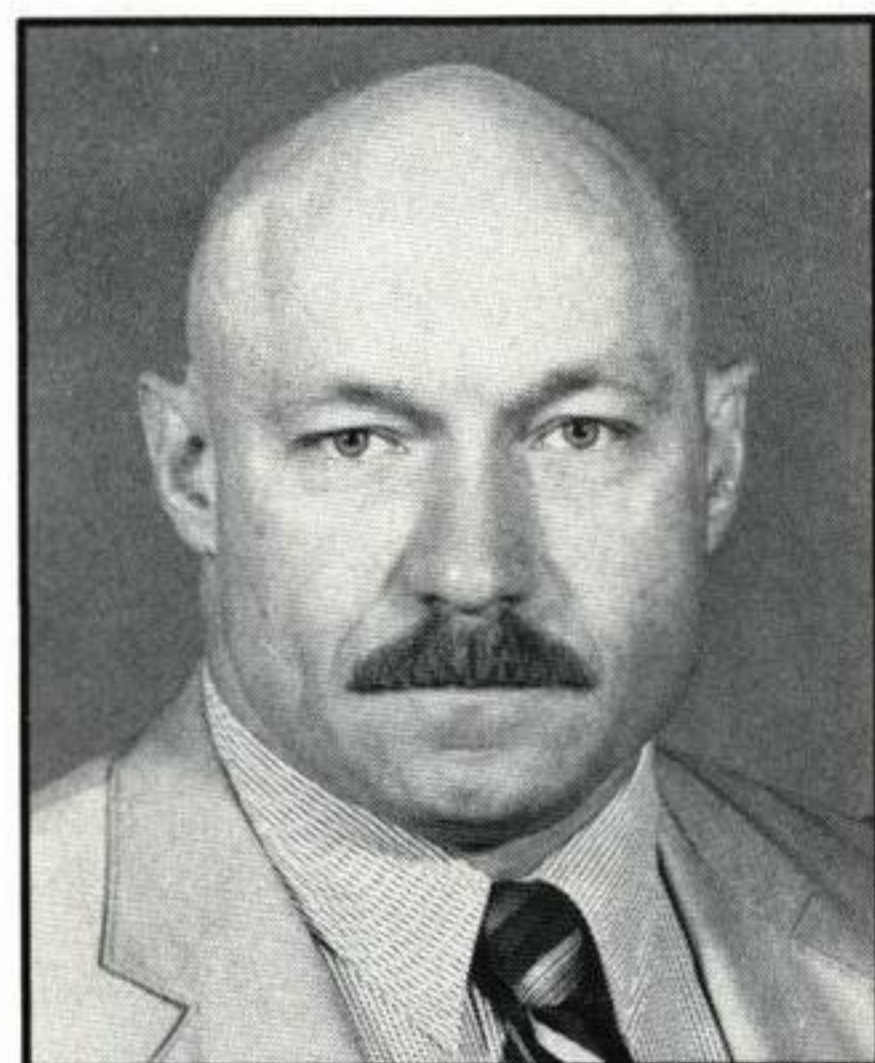

Employing the most advanced techniques, Fix has put the Bears on a strength training program second to none. Last spring four of the five starters on the BU offensive line bench pressed over 500 lbs.

Fix, who joined the Baylor staff on a full-time basis in 1982, was born December 14, 1946, in Detroit, Michigan. He graduated from Carsonville High School in 1965. In high school, Fix was a four-sport letterman.

In 1965, he enrolled at Western Michigan University and played linebacker there for coach Bill Doolittle. Fix earned his bachelor's and master's degrees from Western Michigan in 1970 and 1971.

From 1971 through 1974, Fix was the head football coach at Port Sanilac High in Carsonville, where he had a 19-6 three-year record. His 1973 outfit was district champion, and two years later, Fix came to Baylor as part-time strength coach. He returned to Michigan in 1979 as an assistant coach at Mount Clemons' Chippewa Valley High School. In 1980, Fix bounced back to Texas to coach at Waco Midway Junior High.

Fix married Karen Corp of Carsonville on December 26, 1966, and the couple has two sons, Robert, 18, a football player at Baylor, and Matthew, 14.

Lehnus, born June 24, 1945, graduated from Kankakee (Illinois) High School in 1963. A four-sport letterman, he was an All-Conference basketball and baseball player. His senior season, he was named Honorable Mention All-State as a catcher and point guard.

Lehnus attended Anderson College (Indiana) and lettered four years in both basketball and baseball. He was All-Conference two years in both sports. Also a team captain, Lehnus was named his baseball team's MVP his senior year.

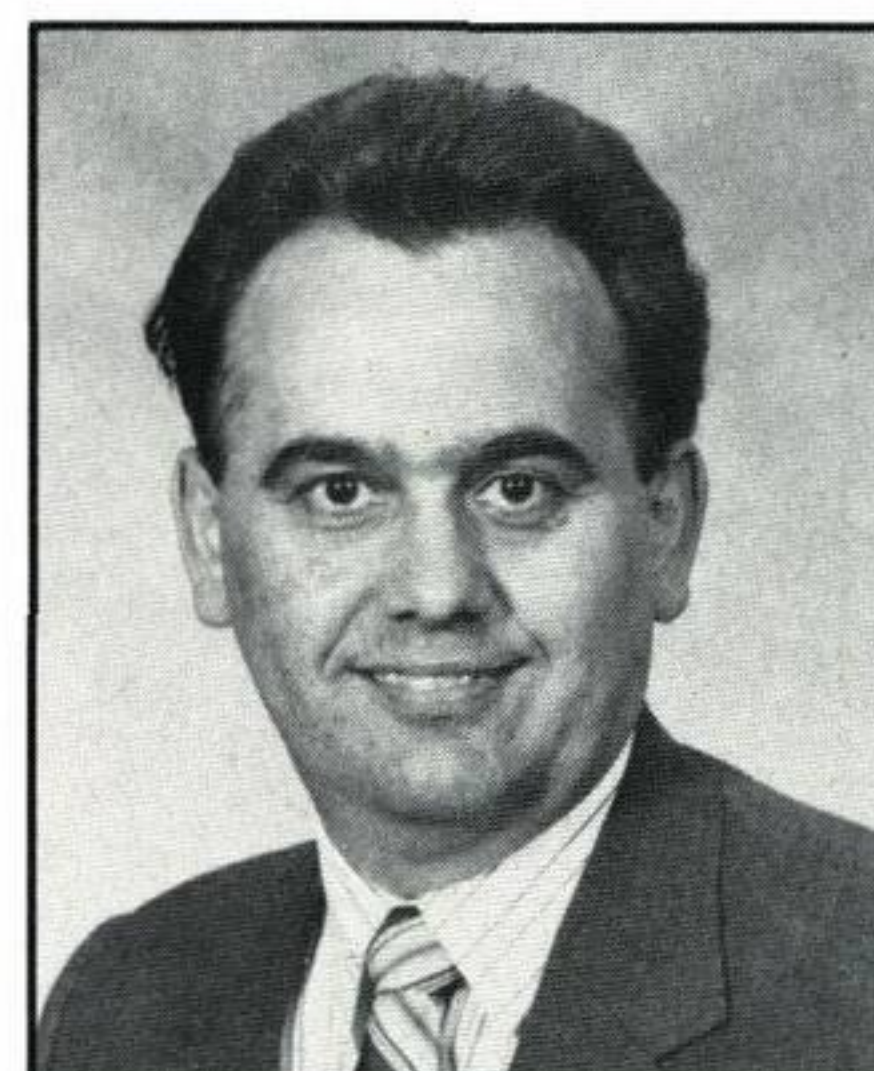

Lehnus received his B.A. from Anderson in 1967 and M.A.E. from Wayne State (Nebraska) in 1968. He began his coaching career at Grant Park High School in 1968. He served as athletic director, head basketball coach and head baseball coach there three years.

In 1972, during three years as an assistant coach, Lehnus became the head baseball coach at Wayne State. His first year his team went 26-11 and won the Nebraska College Conference championship.

From 1973-78 Lehnus coached at Ithaca College (New York) and compiled a record of 55-71. During his stay at Ithaca, Lehnus was named NCAA Eastern Regional Coach of the Year after his team went 11-2 and won its conference crown.

From 1978-84 Lehnus served as North Dakota's assistant basketball coach. He came to Baylor in 1984 as an assistant basketball coach and served in that capacity one year before assuming his present duties.

Freshman quarterback Brad Goebel came off the bench to fill in for the injured starter Ed Lovell and lead Baylor to a 13-3 win over Louisiana Tech in the 1987 season opener. Lovell went down with stretched knee ligaments early in the second quarter with the game scoreless. Goebel responded by completing 13 of 22 passes for 137 yards, one touchdown and no interceptions.

An extremely young Baylor defense passed its first test of the year, allowing 240 net yards, 104 rushing and 136 passing. One of the nation's youngest secondaries allowed 11 completions in 19 attempts.

Baylor's kicking game played a huge role in the win. Mark Mahler and Terry Syler had field goals of 53 and 25 yards, respectively and the coverage units allowed only 2.25 yards per punt return and 18.25 per kick return.

The Bears' lone TD came after Keith Rose blocked a field goal and Robert Blackmon returned the ball to the LT 25. It took four plays to score with Goebel hitting Charles Perry on a 10-yard toss for six points.

Baylor's comeback bid fell short as Missouri hung on to win 23-18 in Columbia. The Bears held a 6-3 lead in the third quarter, but the Tigers came back to get two quick scores. The first came on a 13-yard interception return and another capped an eight-play, 45-yard drive.

The Mizzou lead was 17-6 in the fourth quarter when BU safety Mike Welch, playing with a broken hand, intercepted a pass. The next play Brad Goebel hit fellow freshman Steve Stutsman on a 39-yard scoring toss, making it 17-12. Later in the fourth Tiger QB Ronnie Cameron appeared to be bottled up after dropping back to pass. But he scrambled free and sprinted down the sideline 56 yards to stretch the Tiger lead to 12.

Baylor then drove 74 yards in 10 plays to make it 23-18 with 2:01 remaining. After holding Mizzou, Baylor got the ball back on its own one yard line with 59 seconds to play. Goebel moved the Bears 38 yards before running out of downs after eight plays.

Freshman backup quarterback Jay Mapps guided the Bears on a 12-play, 60-yard drive with 4:48 remaining to give Baylor a 21-14 win over Nevada Las Vegas on the road. Baylor trailed 13-14 before Charles Perry scored the winning points and starting QB Brad Goebel hit Matt Clark for a two point conversion.

It was a game of contrasts as Perry rushed for a career high of 134 yards on 23 carries, but many golden Bear opportunities came up empty. Three Bear drives stalled inside the UNLV 21 without points. The Bears rushed for a season high 223 yards, but were flagged for 120 yards on 14 penalties.

Goebel moved the Bears 68 yards in 12 plays on BU's opening possession to make it 7-0 early. UNLV tied it at seven in the second, but Terry Syler answered with a pair of field goals to make it 13-7 at the half. The rebels went ahead 14-13 in the third, setting the stage for Baylor's winning drive.

Baylor opened Southwest Conference play with a wild 36-22 win over Texas Tech in Waco. It first appeared as if a rout was in the making as the Bears jumped to a 17-0 lead and had three more drives penetrate deep into Tech territory. But those drives ended in two missed field goals and a fumble while the Red Raiders came back to score successive touchdowns to keep it close. Baylor held a 20-14 advantage at the half.

Baylor's cause received a huge lift in the third quarter when Brad Goebel read a blitz, called an audible and hit Matt Clark for a 49-yard touchdown pass. That gave the Bears a 26-14 lead which went to 29-14 after a Terry Syler field goal.

Tech fought back and scored on a 37-yard TD pass catch by Wayne Walker, but the Bears were able to put it away with a touchdown with 27 seconds left to play. The Raiders fumbled five times and Baylor recovered each. Robert Blackmon intercepted two passes.

Baylor strong safety Robert Blackmon intercepted two passes and returned them both for touchdowns to spark a fine defensive effort in a 30-18 win over Houston in the Astrodome. Despite the fact the potent Cougars had 445 yards total offense (404 passing), three times UH had to settle for field goals. Their only touchdown came on a 74-yard scoring strike and they got two points when the Bears took an intentional safety to run time off the clock.

Both teams traded early field goals before Blackmon scored his first TD on a 10-yard interception return. The next play from scrimmage UH QB Andre Ware hit Jason Phillips on the long scoring toss, making it 10-10. In the second stanza the Coogs netted a pair of field goals to go up by six.

Baylor took the lead for good just before the half when Brad Goebel hit Charles Perry for a 30-yard TD reception. That capped a 67-yard, five-play drive. Blackmon got his second TD midway through the third on another 10-yard return. Goebel put the game away by hitting a streaking Bobby Jack Goforth on a 33-yard aerial which concluded an 81-yard, nine-play march.

Baylor awoke in the second half, breaking a 15-15 halftime deadlock, to win 36-15 over Southwest Texas State in a non-conference game in Waco. Baylor jumped to the early lead when Bobby Jack Goforth, a flanker, took an option pitch and raced around right end for a 29-yard TD. The score capped an 80-yard drive.

SWT came back to score a TD in the second, but Baylor blocked the PAT attempt. A quick Bobcat field goal gave the visitors a 9-7 lead before Baylor moved 79 yards to score with Charles Perry doing the honors from five yards out. The big play on the drive was a 54-yard toss to freshman tight end Steve Stutsman. A two-point conversion made it 15-9, Baylor.

The Bobcats went 77 yards and scored as time ran out to tie the game at 15 after the Bears blocked another PAT. The second half was all Baylor with quarterback Brad Goebel engineering drives of 82 and 87 yards to ensure the victory.

Baylor was able to keep it close in the first half, but A&M pulled away to control the second and come away with a 34-10 win before a near-capacity crowd of 46,812 in Waco.

The Aggies drew first blood on an 8-yard jaunt by Darren Lewis. The drive was sustained after Baylor recovered an A&M fumble at the Bear 35 but officials ruled the play void because of an “inadvertent whistle.” After the PAT failed Terry Syler cut the lead to three with a 21-yard field goal.

The two teams traded TDs in the second quarter, making it 12-10, A&M, at the half. The final two stanzas belonged to the Aggies, who scored the first three times they touched the ball after the intermission. With freshmen QBs Lance Pavlas and Bucky Richardson leading the way A&M employed a balanced attack and hard rushing defense. Five maroon clad runners gained 40 yards or more while only one Bear rushed for double figure yards.

TCU spoiled Baylor's Homecoming with a 24-0 blanking of the Bears before 36,138 in Waco. The game was every bit as lopsided as the final score indicated as the Frogs took out years of frustration against the Bears.

Baylor had won 12 of the last 15 meetings, but TCU shut out Baylor for the first time since 1966. TCU rolled up 485 yards total offense. The visitors were led by Tony Jeffery's 174 rushing yards. The Bears were limited to 106 yards total offense and were shut out for the first time in 89 games.

TCU got its first score on a drive that covered 46 yards in three plays. QB David Rascoe hit paydirt on a 14-yard run around left end. Jeffery made it 14-0 with a brilliant 80-yard run late in the second half.

In the third quarter Lee Newman booted a 32-yard field goal and Jeffery added a final TD on a two-yard run that capped a 93-yard drive. Neither team could mount much of a threat in the final period, but more than enough damage had been done to the Bear hopes.

The Arkansas Razorbacks punched in a touchdown with 47 seconds remaining to play, pulling out a 10-7 Homecoming win over Baylor before 51,496 in Fayetteville. In what turned out to be a classic defensive struggle, the Bears got their only points in the second quarter after Charles Perry bulled into the endzone, capping a 12-play, 80-yard drive.

The Pigs scored all their points after Bear turnovers. The field goal, a 41-yarder by Kendall Trainor, came after an interception, and the winning TD came after the Bears had the lead and the ball with 2:41 to play. A fumble dashed any hopes of the Bears running out the clock to preserve the win and set the Hogs up for their final drive of 39 yards.

Baylor's defense held Arkansas well under its season averages in rushing yards, total offense, yards per rush, points per game and third down conversions. But the BU offense could sustain only one scoring march against a stout Hog defense.

Baylor survived a furious Rice comeback bid to hold on for a wild 34-31 win in Waco before 20,075. Baylor jumped to a 27-0 lead and appeared to be on the verge of a big blowout before Rice began putting the outcome in doubt.

The Owls scored 24 unanswered points to pull within three late in the third quarter. Baylor scored what proved to be the winning points on a 93-yard, 12-play drive to go ahead 34-24 early in the fourth quarter. That score, however, did not fully take away Rice's momentum, as they bounced right back to score again on their next possession, pulling within three at 34-31 with 9:22 left to play.

Based on what had transpired before, it looked as if a shootout was in the making for the rest of the game, but oddly both defenses then took over. Baylor protected its slim lead by stopping the final three Rice drives.

The win assured the Bears of their third straight winning season. Mike Welch played brilliantly from his free safety spot, intercepting three passes and making 18 tackles.

Texas appeared to be off and running to a romp, but finally had to pull away in the fourth quarter to nail down a 34-16 win over the Bears in Austin. The Longhorns scored early on a 7-yard dash by Eric Metcalf. The speedster upped it to 14-0 in the second with a slippery 59-yard punt return for a TD.

The lead ballooned to 21-0 when Brett Stafford capped a drive with a 2-yard sneak in the third quarter. Baylor got on the board first with a Mark Mahler field goal. On the next Texas possession James Francis broke through the UT punt blocking unit to bat down a kick and recover it in the endzone.

The Bears closed the gap to 21-16 after an Eric Gilstrap run late in the third. Texas then pulled away to ensure the win. Metcalf did the final honors on a 3-yard run. The loss knocked the Bears out of a bowl game. It was BU's 18th straight loss in the State's capital.

BAYLOR TRADITIONS

IMMORTAL TEN

January 22, 1927. Coach Ralph Wolf was taking his first Baylor basketball team to the University of Texas for a crucial Southwest Conference game. It was raining and debris from the highway had been sprayed on the windshield of the chartered bus.

Then, at Round Rock, Texas, one of America's first athletic tragedies occurred. A speeding train from the I&GA Railroad Company rammed the side of the bus at a crossing near the center of the city. Ten of the 21 persons in the Baylor party were killed.

And each year at the Baylor Homecoming, the freshmen men hear the tragic epic of the "Immortal Ten." The hero was James Clyde "Abe" Kelly, who was captain-elect of the 1927 football team. Kelly saw the train just before impact and pushed his roommate, Weir Washman, out of the bus window. He was credited with saving the life of his best friend at his own expense—death.

Others who died with Kelly were William Winchester, W. E. Murray, Merle Dudley, Sam Dillow, Jack Castellau, L. R. "Ivey" Foster, Bob Hailey, R. L. Hannah and James Walker.

Wesley Bradshaw, who remains in third place in Baylor football career scoring records, was seriously hurt. Gordon Barry, Joe Potter, Edgar Gooch, C. S. Bean, Keifer Stricklan (All-SWC), John Kane, Dave Cheavens (former Baylor journalism department chairman) and Coach Wolf were slightly injured. Washman and Louis Slade were unhurt.

As a result of this tragedy, the first highway overpass in Texas was constructed at Round Rock.

BOBBY JONES AWARD

Prior to each Homecoming game, the Bobby Jones Award is presented. The award is named for the former Bear quarterback from 1954-56 who helped Baylor defeat Tennessee 13-7 in the 1957 Sugar Bowl. Mrs. Rosemary Jones established the award after Jones was killed in an automobile-train wreck while a member of the Tennessee coaching staff.

The award is given to the senior player who provides the best leadership on and off the field in the week of preparation for the Homecoming game. The coaching staff votes on the award.

BEAR NICKNAME

Baylor was founded in 1845, but it was not until 1914 that then president Samuel Palmer Brooks decided the time had come for the school to officially choose a nickname for intercollegiate athletic teams.

In December of 1914 a vote of the student body was held and "Bears" won out in a very close vote over "Buffaloes." Other nicknames nominated were "Antelopes," "Frogs" and "Ferrets."

MASCOT STORY

Back in the 1920s, Baylor received its first live mascot from troops of the 107th Engineers, a unit of the 32nd Infantry Division, which was stationed in Waco.

The bear, named Ted, made his first appearance at a Baylor-Texas A&M game, and when the unit got its order to move on, the bear was left in the hands of the Baylor Athletic Department. Since then, the use of bears at Baylor football games has become as much a fixture as the players, cheerleaders and bands.

Probably the best-known mascot was Joe College, who came to Baylor through the work of Bill Boyd, then a Baylor student. Boyd bought the bear from a zoo that went broke at the Cotton Palace in Waco. He then approached Baylor's president, Pat Neff, and offered to take care of the bear in exchange for free tuition. Neff accepted the deal and the tradition of live bears as mascots has continued since.

The current bear mascots are Judge Burleson (Rufus) and Judge Charles II (Chuck). Rufus will accompany the 1988 Bears at home and on the road. He came to Baylor from Bear Country USA, a drive-thru wildlife park in South Dakota. Chuck, age five and one-half years old, will greet visitors to the Hudson Bear Plaza on campus.

Every two years the university gets a new bear, and most come from Bear Country USA. Most of the mascots are North American black bears, a species that seems to adapt well to humans.

All the bears are kept at the Hudson Plaza. They are sponsored by the Baylor Chamber of Commerce, a service fraternity on campus.

"SIC 'EM BEARS" and the "BEAR CLAW"

It was in 1960 when yell leader Bobby Schrade, who is currently Baylor's Director of School Relations, first came up with the "Bear Claw" hand signal and "Sic 'Em Bears" yell.

Concerned that Baylor fans were simply doing yells similar to other schools, Schrade introduced the yell and coinciding hand signal which is made by slightly curving all five fingers inward to form a bear's claw.

The initial reaction by students and faculty was mixed to say the least. In fact, the issue was a topic of hot debate among students and faculty for a number of years. Their use through the late '60s was sporadic at best.

In 1972, when head coach Grant Teaff came to Baylor, the use of the "Bear Claw" and yell of "Sic 'Em Bears" gained newfound popularity. Since a new era of Baylor football was initiated at that time, it was only appropriate that the customs, whose use continues stronger than ever to this day, be renewed.

In addition to being used during the yell, the "Bear Claw" is held up during the playing of Baylor's school song, "That Good Old Baylor Line." Football players traditionally hold up their helmets during the playing of the school song.

GOLDEN WAVE MARCHING BAND

A 28-piece regulation military band was organized in 1903 under the direction of Charles Parker. This band was a part of Baylor's ROTC unit until the end of World War I when the military division was dissolved and the organization became known as the Baylor Bear Band. In 1929, Everett McCracken was appointed director and he initiated a new era of development for the Bear Band. A highly successful ten-day tour of several Texas towns was made in new uniforms colored in gold. Critics spoke of the band as making "a golden wave through Texas." From that day, the band has been known as the Baylor University Golden Wave Marching Band.

Women were admitted into the concert band in 1937 and in this period, the band received wide recognition both in marching and in the concert season.

This year, the Golden Wave, under the direction for the seventh year of Mike Haithcock, is marching 275 members, which includes winds and percussion, flag corps, Golden Girls and a feature twirler.

“THAT GOOD OLD BAYLOR LINE”

The alma mater of Baylor has been the rallying call to the old school's thousands of students, ex-students and friends since shortly after the turn of the 20th century.

Its present form, however, is altogether different from the original one. In fact, its title is the only thing that has remained intact through three score and 10 years of usage.

The now famous title was conceived in 1907 when a group of Baylor men, led by William B. Todd, borrowed a tune from a Broadway musical hit of 1902, a sprightly waltz number called “In the Good Old Summertime.”

The text of that first pep-generating ditty embodies a dire threat to all gridiron foes, notably those of a sister institution of that time also located in Waco—the forerunner of Texas Christian University, then called Add-Ran College. Rivalry between the two student bodies was intense, hence, the Baylor mens' threat to send their opponents home “done up in turpentine” after an encounter with formidable Baylor “line.”

The words used in that first version have long been abandoned. New words were written in 1931 by Enid Eastland Markham, a 1923 Baylor graduate.

HOMECOMING PARADE

One of the highlights of the Baylor Homecoming celebration each year is the Homecoming Parade, believed to be the largest and oldest in the nation. The first parade was held in 1909.

About 35,000 people annually line the streets to view the parade, with another 115,000 watching on local television. Approximately 115-120 parade entries, including floats, cars carrying distinguished guests, and marching bands, participate in the parade which travels about two miles to the campus.

EX TEX PEP RALLY

The week prior to the Baylor-Texas game, the popular Ex Tex pep rally is held in Baylor Stadium. The pep rally was started under the name of Hex Tex in 1960. It was the brainchild of former head coach John Bridgers, who was looking for an emotional edge for his players prior to the big game with the Longhorns. The highlight of the pep rally, which was first held in Minglewood Bowl but has since been moved to Baylor Stadium, is the lighting of candles that are formed in the stands in the shape of an upside-down Longhorn. Current head coach Grant Teaff changed the name of the rally in 1986 because he felt the Bears no longer need to invoke the special powers of a hex to beat the Longhorns.

THE “NUGGS”

Under the motto of “The Few, The Proud, The Nuggs,” Baylor's all-important scout teamers have molded themselves into one of the more distinctive groups on campus.

The story of how the squad, whose job it is to imitate upcoming opponents' plays for the starting units, came to be called Nuggs, ranks as one of Baylor's legends.

It all started back in the mid-70s when scout teamers were outfitted in garish gold colored jerseys. The reason for the distinctive togs is hotly debated, but in all likelihood they were worn near the end of the season when normal practice jerseys were in short supply.

At any rate, the devoted group who seldom saw game action took pride in their uniforms and called themselves the “Golden Nuggets” to combat the many jokes they suffered. Later the title was shortened to “Nuggs.”

To be called a “Nugg” is a great source of pride. It means that you will probably never see the light of day in an actual game, but you are giving every ounce of your ability to help the team win by preparing the starting units.

“Nuggs” proudly wear their own T-shirts and have even printed their own media guide. Each season the top scout teamers receive the “Golden Nugget Awards.”

BAYLOR YELL LEADERS

Baylor athletic events had no organized spirit personnel until the first set of all male yell leaders was elected in 1920. A student vote to allow female yell leaders came up in 1962 but narrowly failed. Another vote failed in 1963. Finally, in 1967 students voted to allow coeds to join the team and they first appeared during the 1968 football season.

CONGRESSIONAL MEDALS OF HONOR

Baylor University is believed to be the only school in America to have two former athletes go on to win the Congressional Medal of Honor. Both men, Jack Lummus and John (Killer) Kane, won the nation's highest military honor for heroics in World War II.

Lummus played football, basketball and baseball for the Bears from 1938 through 1941. He was an All-Southwest Conference center fielder before signing with the New York Giants of the National Football League.

After one year of pro football, Lummus joined the Marines and was a platoon leader in the initial days of fighting at Iwo Jima. While leading a charge on enemy positions, Lummus stepped on a land mine and lost both legs. Despite the heavy bleeding that resulted he led his platoon to knock out several pockets of Japanese fire, a vital part of the U.S. victory.

Lummus died of his wounds shortly after the battle.

President Harry S. Truman cited Lummus by saying, "By his outstanding valor, skilled tactics and tenacious perseverance in the face of overwhelming odds, First Lieutenant Lummus had inspired his stouthearted Marines to continue the relentless drive northward, thereby contributing materially to the success of his company's mission."

Kane played football and basketball at Baylor and was a member of the ill-fated 1927 basketball team that lost ten of its members in a bus-train wreck. Kane was one of 12 survivors.

Kane joined the Army Air Corps in 1932 and soon became a bomber commander of legendary proportions. It was said he was the best pilot and toughest commander in the Air Corps. It was often debated who feared him more—the Germans or his own men.

On August 1, 1943, Kane led what at the time was the deadliest air battle in history—a low-level, long-range raid on Hitler's oil-refining complex in Ploesti, Rumania. The site produced a major part of the Axis' fuel and was one the most heavily guarded locations in history.

The Air Corps' mission was to fly B-24 Liberator bombers 1,350 miles at treetop level, under the range of enemy radar. It was a suicide mission, despite some the most heroic flying ever done. It is remembered as the worst catastrophe in the history of the Army Air Corps.

Of the 166 planes that departed on the mission, 73 failed to return. Kane flew for over 14 hours before returning on two of four engines.

Five Medals of Honor were awarded to pilots, the most ever from a single military operation. Only Kane and one other were alive to receive theirs.

BARTON "BOTCHEY" KOCH

First Concensus All-American in Southwest Conference History

The Southwest Conference is now regarded as the premier football league in the nation, but back in 1930 the idea of a player of All-American status coming from the SWC seemed preposterous—until Botchey Koch came along.

Koch played guard at a stocky 5-10 and 200 pounds and left an indelible impression on everybody who saw him play.

Since no game films exist from his day, testimony of those who witnessed him personally attest to his greatness.

"He was the greatest athlete I ever coached," said former Baylor coach and athletic director Bill Henderson, a veteran of over 40 years in college athletics.

The legendary D. X. Bible put Koch on the West squad of the East-West Shrine Game. After seeing Koch play against the best in the country, Bible said, "He's the best guard I ever saw."

The San Francisco Chronicle's report of the game said, "There were a lot of great linemen in the game, but Koch was easily the best. A steam roller could not get over him." Koch was voted the game's MVP.

Former SWC football referee Pete Cawthon called him, "An All-American all the way, both ways. Don't ever expect to see another one as good."

Amos Alonzo Stagg called Koch, "One of the great ones." "Football brilliance," said Knute Rockne. "He's far and away the best guard I ever saw play."

Paul Crume, longtime *Dallas Morning News* columnist, wrote upon Koch's death in 1964, "after reviewing my memories of Botchey Koch, I doubt that there ever was a better college lineman."

Koch is a member of the Baylor Hall of Fame, the Texas Sports Hall of Fame, the Baylor all-decade team of the 20s, the College Football Foundation Hall of Fame, the Southwest Conference 50-year All-Star Team and the All-Time All-American team picked by Grantland Rice, perhaps the greatest sportswriter who ever lived, and Harry Stuhldreher, one of Notre Dame's famed four horsemen and former head coach at Wisconsin.

Former *Waco Tribune-Herald* sports editor Jinx Tucker wrote, "He (Koch) has been accorded more national honor than any player a college or university in the state of Texas has produced, and he is deserving of that honor for he is the greatest guard the Lone Star State has ever seen, and perhaps the greatest the nation has ever known."

“THE WORM STORY”

In 1978 the Baylor football team was suffering through a disappointing 2-8 campaign, having lost the first five games by a combined total of 21 points. The season was about to end against nationally ranked Texas, and Grant Teaff knew his team had to have a mental edge.

Thus was born the famous “Worm Story.” Just before the team returned to the field for the opening kickoff Teaff told the Bears a story about two Eskimo fishermen who were out icefishing. The old veteran fisherman caught fish right and left, but the younger newcomer caught none, even though they used the same equipment and techniques.

After several hours of shivering out on the ice with no fish to show for it the young angler asked the wiser pro what his secret was. The old man then opened his mouth revealing a wad of live worms and said, “You have to keep your worms warm!”

With that Teaff produced a live nightcrawler he had purchased at a bait store just before the game. As players’ eyes widened he held it up and said, “Today men, I’m going to keep the worms warm!” He then dropped the creepy crawler in his mouth, chewed a few times and swallowed.

The team went wild, almost tearing the locker room door off its hinges trying to get back onto the field.

Mickey Elam, a converted running back, playing quarterback, shocked the heavily favored Longhorns and the Bears won 38-14. That score was the largest margin of victory ever by Baylor over Texas. Teaff stressed later that using the worm was simply a psychological device to allow his players to relax and play up to their potential.

BAYLOR STADIUM

Baylor Stadium History

This fall marks the 38th anniversary of Baylor Stadium. Completed in the summer of 1950, continued renovations and improvements over the years have produced a facility that now ranks among the top in the conference. Funds are currently being raised to move the Baylor athletic offices into a new complex to be built in the north end zone.

Prior to 1950, the Bears played all home games at Waco Municipal Stadium on Dutton Street, a small stadium that could only seat 14,000 to 20,000 if end zone bleachers were set up.

In the late 1940s a group of Baylor supporters decided to help the Bears build their own stadium and formed the Baylor Stadium Corporation to achieve just that. The Corporation launched a bond sales program and was able to raise \$1.5 million needed to build the new stadium. The last bonds were retired in 1980.

Over the years, the Bears have played at several different sites around Waco. Carroll Field, located on campus, was the home field for Baylor from 1902 to 1925 and again from 1930-35. Football was actually started at Baylor in 1899, but no records are available to prove where the team played in those first three seasons. Old newspapers and yearbooks only report that games were played on a extremely rough field close to the school.

The Bears moved briefly from Carroll Field to play at the old Cotton Palace from 1926-29. But after returning to Carroll for six years, Baylor left the campus site for good in 1936 and moved to the newly built Waco Stadium—which in 1942 was renamed Municipal Stadium.

Many improvements and additions have been made to Baylor Stadium throughout the years. Up until the 1972 season, the Bears played on a grass field. But with the acquisition of a new coach, Grant Teaff, also came Baylor's first AstroTurf surface. A second surface was laid down in the summer of 1979.

During the 1970s the beautiful and comfortable Bear Club and Lettermen's Lounge were built on the west side of the stadium. An upstairs locker room, extra meeting rooms and a new weight room were also added. An eight-year project to replace the old wooden seats with aluminum ones was completed in 1981.

The first game played in the 48,500-capacity stadium was Sept. 30, 1950, a 34-7 Baylor victory over the Houston Cougars, then an independent team. The first conference game was Nov. 4, 1950, a 27-20 win over Texas A&M. The largest crowd ever to see the Bears play at home was the '74 matchup with the Aggies when 51,200 fans stood in the aisles and sat near the end zones to watch A&M shut out Baylor, 20-0.

THE SOUTHWEST CONFERENCE

Organized in 1914, the Southwest Athletic Conference arose out of special needs of the larger colleges of the section to create an organization which would further the best interests of intercollegiate athletics.

Need of higher academic standards for student athletes and ethical standards and practices was a guideline for the representatives of seven institutions who convened in Dallas on May 6, 1914, for the purpose of founding an organization that would "enlarge and more closely relate the athletic activities of the larger institutions of the states represented." The meeting was held at the Oriental Hotel, site of the Baker Hotel today.

It was at the invitation of L. Theo Bellmont, then athletic director of The University of Texas, that the representatives from seven institutions convened in Dallas for the founding. Present for the drafting of the constitution and bylaws were C. A. Gantt and S. R. Spencer, Baylor University; J. C. Snipes, Southwestern University; John Corbett, Oklahoma A&M College; Robert J. Potts, Texas A&M College; T. W. Atkinson and J. F. Broussard, Louisiana State University; D. K. Sadler and R. J. Nelson, University of Arkansas; Dr. W. T. Mather and Bellmont, The University of Texas.

The founding fathers met for a second time at the Rice Hotel in Houston on December 8, 1914, and completed the organization. Representatives from the University of Oklahoma (Ben Owen) and Rice Institute (W. W. Watkin) were present for this meeting and their institutions became charter members along with Arkansas, Baylor, Southwestern, Oklahoma A&M, Texas A&M, and Texas. Rice was accepted provisionally.

Thus came into existence the Southwest Intercollegiate Athletic Conference, which two years later (May, 1916) was to be shortened to Southwest Athletic Conference. The league encompassed representatives of only three of the five states that were included in the original planning. LSU withdrew at the organizational meeting, while the University of Mississippi failed to follow through on early indications of interest.

Composed of eight members at the outset, the Conference functioned with as few as six (1916 and 1917), had eight members in 1920, and then had seven members for 30 years (1926-55). The admission of Texas Tech in 1956 brought the membership to eight again and the admission of the University of Houston in May, 1971 set it at the all-time high of nine.

Southwestern, Oklahoma and Phillips withdrew after brief periods and Oklahoma A&M took leave after a decade of membership. SMU joined in 1918 and TCU in 1923, last additions before Texas Tech's and Houston's admission.

Although edged in the final statistics, coach Bob Woodruff's Baylor Bears won the first bowl appearance in the school's history by defeating Wake Forest 20-7 in the second annual Dixie Bowl.

Wake Forest, although gaining 277 total yards compared to Baylor's 212, fell behind 20-0 at halftime to the upstart Bears and could never seriously threaten the 6-3-2 victors.

Bear defender George Sims recorded the game's first turnover when he intercepted a Deacon pass in their first possession and returned it 52 yards to the Wake Forest eight-yard line.

Sammie Pierce, who averaged 13.1 yards a carry against the 6-3 Deacons, scored the first touchdown from a yard out and Jerry Mangrum scored from the same distance in the second quarter to give Baylor a 13-0 lead.

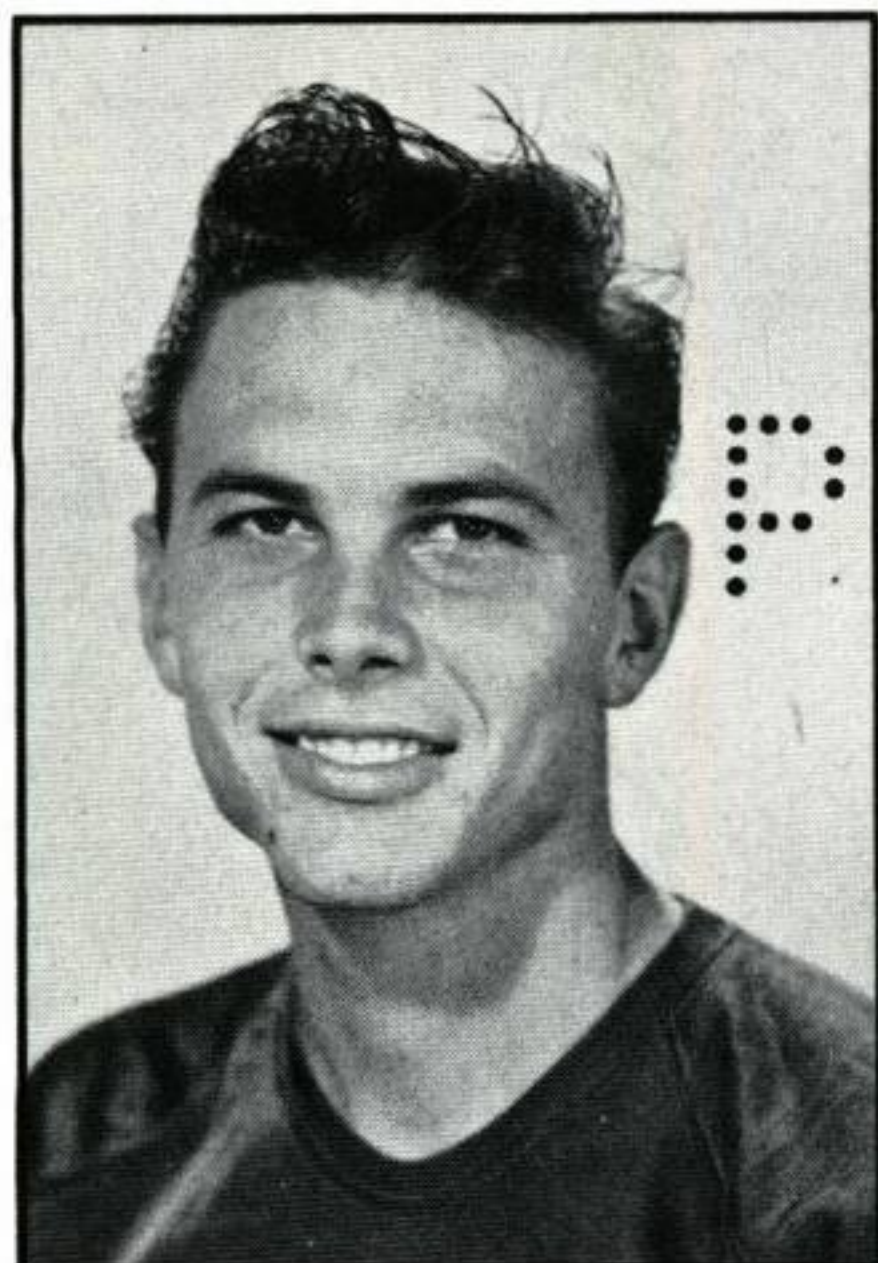

The Bears increased the margin to 20-0 off a 68-yard drive, highlighted by a Pierce 40-yard romp. Quarterback Ray Painter, who had attempted only seven passes during the regular season, passed the final 12 yards to Harold Riley for the score. Hank Dickerson added his second PAT for the day.

All-America quarterback Adrian Burk completed five passes for 69 yards, with two of the completions going to Riley. James Parker also hauled in a Burk aerial for 23 Baylor yards.

James Parker led the Baylor rushing attack with 43 yards on eight carries.

Pepper Rodgers kicked a 13-yard field goal with three minutes remaining to give Georgia Tech a 17-14 come-from-behind victory over Baylor in Miami's Orange Bowl contest.

Tech scored 10 fourth quarter points on Rodgers' effort and a Buck Martin touchdown reception, while holding Baylor scoreless to nip the 8-1-1 Bears.

Bear fullback Dick Parma scored the game's first touchdown from a yard out and C. O. Brocato added the PAT as Baylor led 7-0 in the first quarter.

After Tech knotted the score at 7, Baylor drove 63 yards, capped by Jerry Coody's four-yard scoring blast, to give the Bears a 14-7 halftime margin.

Coody was the team's leading ground gainer during the regular season, picking up 570 yards on 125 carries.

But coach Bobby Dodd's Tech squad used Rodgers and Martin's last quarter heroics to take their comeback win.

The Orange Bowl loss was Baylor's second of the 1951 season, the first coming at the hands of TCU 20-7.

Larry Isbell, who threw for 1,430 yards during the regular season, attempted 18 passes against Georgia Tech, completing eight for 93 yards. Parma was the contest's top ground gainer with 107 yards on 19 attempts.

All-America end Stanley Williams, who caught 37 regular season passes for six touchdowns, and Harold Riley each caught three Isbell passes. And defensive back Robert Reid, who established a school interception record with 11 regular season swipes, intercepted one pass from Tech quarterback Darrell Crawford.

Thirteenth-ranked Auburn scored five of the first six times they touched the football on their way to a 33-13 thrashing of Baylor in the 1955 Gator Bowl.

The Tigers, who established three Gator Bowl records and tied another in the rout, outgained Baylor 476 to 239 in total yardage.

Bear all-conference halfback Del Shofner fumbled the opening kickoff and the Tigers recovered on the Bear 27-yard line. Five plays later, Auburn scored the game's first touchdown and led 7-0.

Baylor tied the game by driving 63 yards in nine plays, the majority coming off a Billy Hooper pass to Charles Smith. Fullback Reuben Saage scored from a yard out and Smith kicked the conversion to tie the game at 7.

But before Baylor scored again, Auburn led 27-7.

Joe Childress, the game's leading yard gainer with 134 steps, scored his second touchdown of the game and Bob James added a 43-yard scoring jaunt to give Auburn a 21-7 halftime edge.

Tiger quarterback Bobby Freeman gave his squad a 27-7 lead on a six-yard romp.

All-America halfback L. G. (Long Gone) Dupre butted his way for a 38-yard scoring play to cut the lead to 27-13 midway through the third quarter. Dupre, the Bears' third leading rusher during the regular season behind Shofner and Allen Jones, finished his team's leading rusher against the Tigers with an amazing 69 yards.

Freeman completed the scoring with a four-yard fourth quarter pass to end Jimmy Long.

Hooper, an all-conference honoree, finished with nine completions in 15 attempts for 112 yards, with four of the aerals going to Smith.

Dupre returned three Auburn kickoffs for 85 yards as the Bears finished 7-4 for the season. Shug Jordon was the winning Auburn coach while George Sauer saw his Bears go down to defeat.

Reuben Saage recovered Tennessee All-America halfback Johnny Majors' fumble of a Del Shofner punt and Baylor then drove 15 yards for the winning touchdown in the Bears' 13-7 upset win over the undefeated Volunteers in the 23rd annual Sugar Bowl.

Bear quarterback Buddy Humphrey scored the winning touchdown on a one-yard sneak and Don Berry added the conversion for the 9-2 Bears of coach Sam Boyd.

Baylor scored first, despite being a one-touchdown underdog, when quarterback Bobby Jones threw a 12-yard scoring strike to Jerry Marcontel in the second quarter.

But Majors, who averaged 5.1 yards per rush, completed better than 60 percent of his passes and punted for a 42.3 yard average during the regular season, gave the Volunteers the lead in the third quarter by reaching pay dirt from a yard out. Sammy Burklow added the PAT and Tennessee led 7-6.

After the Volunteers held Baylor on their first possession of the fourth quarter, Shofner punted to the Tennessee eight. Majors returned the kick seven yards before coughing up the pigskin and Saage was there to make the big play for Baylor.

The contest matched the Southeastern Conference champion Vols against Baylor, who suffered a 7-6 loss to Texas Christian and a 19-13 setback to Texas A&M during the regular season.

Tennessee and coach Bowden Wyatt swept through a 10-game schedule in which they conquered five teams that participated in bowl games New Year's 1956. Only seven points separated Baylor from an unbeaten record.

Baylor halfback Del Shofner, running behind an offensive line headed by all-America Bill Glass, finished with 88 yards rushing in 14 carries and also intercepted one Volunteer aerial. For his play, Shofner, who scored ten touchdowns during the regular season, was voted the game's outstanding player.

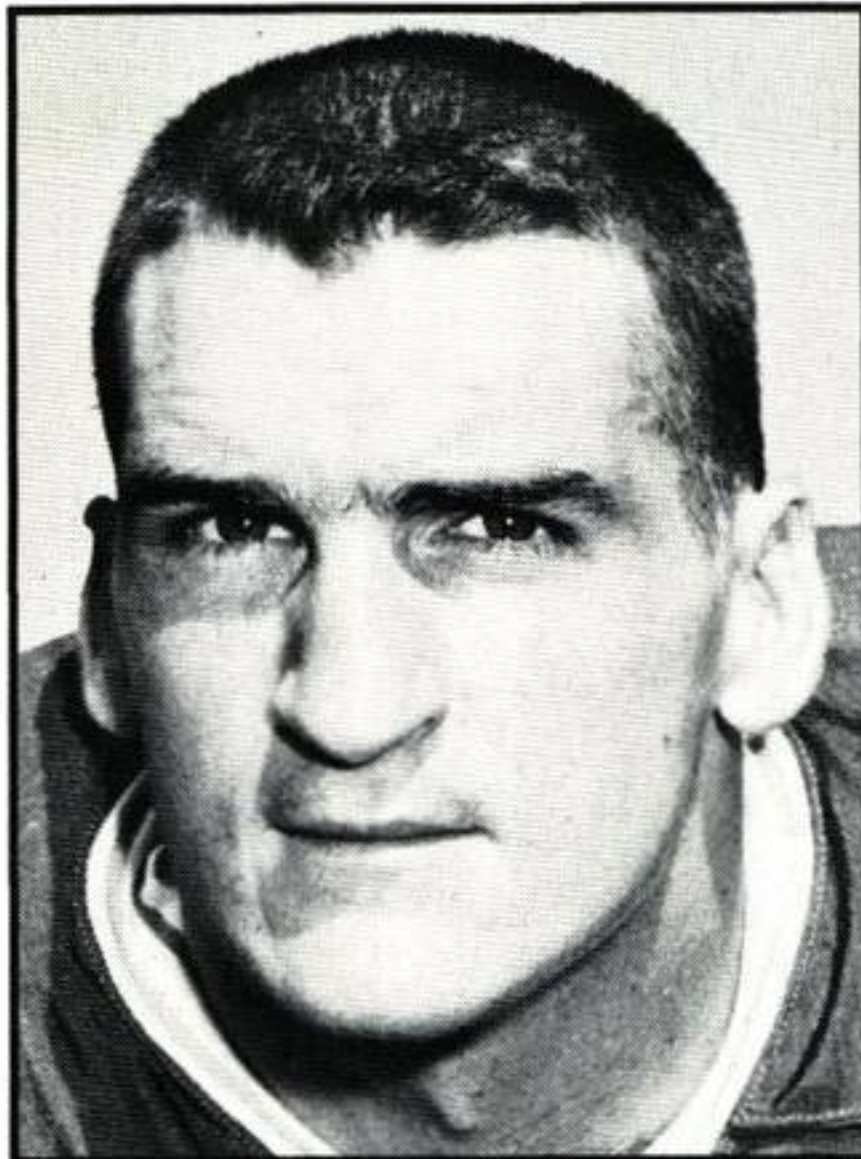

Bobby Peters contributed 60 yards rushing for Baylor while Saage added 39 steps. Bear quarterbacks Humphrey, Bobby Jones and Doyle Traylor could only complete three passes, all going to end Morcontell.

Peters added 54 yards in kickoff runbacks.

Coach John Bridgers' pro-modeled Spread-T Baylor offense could muster only two touchdowns against a swarming Florida defense as the Gators took a 13-12 decision in the 16th annual Gator Bowl.

On the Bears' first possession of the second quarter, a pitchout from quarterback Ronnie Stanley to all-American halfback Ronnie Bull was mishandled and Florida's Chet Collins recovered on the Baylor 20-yard line.

It took the Gators five plays to score and fullback Don Goodman plunged the final three for the tally. Bill Cash added the conversion and Florida led 7-0 with 8:42 remaining in the half.

Coach Ray Graves' squad extended their lead to 13-0 later in the same stanza when Gator defender Ronnie Slack recovered a Stanley fumble in the end zone for the quick six points.

Florida traveled 20 yards for their two scores while Baylor went 139 steps for the same results.

Down 13-0 in the fourth quarter, the Bears, who finished 8-3, put forth a furious surge that resulted in 12 points.

On the first play of the quarter, quarterback Bobby Ply threw 11 yards to Ronnie Goodwin for the score, ending a 71-yard, nine-play drive.

With 1:01 remaining, Ply, who threw for four touchdowns during the regular season, and Stanley put the Bears in position to score with three completed aerals. Bull, Baylor's leading rusher and scorer, went the final three steps for the score. However, the two-point try from Ply to Goodwin was juggled and dropped and the Gators had their hard-earned victory.

Ply established a new Gator Bowl record with 13 completions and teamed with Goodwin (seven receptions) for five.

Eight Utah State turnovers and outstanding performances by halfback Ronnie Bull and sophomore quarterback Don Trull led Baylor to a 24-9 victory over Utah State in the inaugural Gotham Bowl at the Polo Grounds.

Baylor recovered their first of five Utah fumbles and went 45 yards to score the first time it had the ball. Bull, who had 86 total yards and was voted the game's Most Valuable Player, scooted 15 yards for the initial Bear touchdown.

In the second quarter, Carl Choate kicked a 22-yard field goal for Baylor and Trull added the third score on a quarterback sneak covering two yards. Trull, who passed for 116 yards against the nation's number two defensive unit, connected with Ted Plumb for a 38-yard fourth quarter touchdown pass to end Baylor's scoring.

Choate was perfect in three extra point tries and Bull and Plumb combined for seven pass receptions.

Utah State, who entered the game with a 9-0-1 mark and a share of the Skyline Conference championship, was favored to beat coach John Bridgers' Bears, who finished with a 5-5 regular season slate.

Coached by John Ralston, the Aggies featured three standouts who later starred in professional football: all-American tackle Merlin Olsen, quarterback Bill Munson and place-kicker Jim Turner.

The 5th annual Bluebonnet Bowl at Rice Stadium saw Baylor all-America quarterback Don Trull finish his collegiate career in grand style in the Bears' 14-7 win over Louisiana State.

Trull, voted the contest's most outstanding back, completed 26 of 37 passes for 255 yards and both Baylor touchdowns. End James Ingram, the game's most outstanding lineman, caught 11 of Trull's passes for 163 yards and seven- and 13-yard scoring strikes.

The Bears totally dominated their opponent, running 80 plays to LSU's 39 and racking up 394 total yards compared to the Tigers' 108.

Dalton Hoffman was the leading rusher for both teams, gaining 70 yards for Baylor, who ended the season 8-3. Tom Davies kicked both Baylor conversions.

The Tigers scored first, moving 43 yards in seven plays in the first quarter. Bill Soefker went the final eight steps for LSU and the Tigers led 7-0.

Baylor scored their first touchdown with 13:10 remaining as Trull hit Ingram for the seven-yard strike. The Bears moved 68 yards in ten plays for the score with Trull completing three passes.

On their next possession, the Bears drove 70 yards in 11 plays for the winning score. Four completed Trull attempts, two each to Lawrence Elkins and Ingram, highlighted the scoring march.

Baylor, who lost to Oregon State, Texas and Kentucky during the regular season, was led during the year by all-Americans Trull and Elkins, all-conference tackle Bobby Crenshaw and top rusher Hoffman.

Quarterback Tom Shuman established Cotton Bowl records in passing and total offense and flanker Jimmy Cefalo did likewise in receiving yards in Penn State's 41-20 decision over Baylor in the 1975 classic.

For the fifth time in their 10-victory 1974 season, the Lions came from behind to win. The victory spoiled Baylor's first appearance in the Dallas event, coming on the heels of the school's first Southwest Conference championship since 1924.

Baylor captured a 7-0 first quarter lead with Steve Beaird's four-yard blast. Bubba Hicks added the PAT conversion with 44 seconds remaining in the opening quarter.

A Matt Bahr 25-yard field goal closed the Bears' lead to 7-3 at intermission.

After the Nittany Lions took their first lead off Tom Donchez' one-yard blast, all-conference quarterback Neal Jeffrey put Baylor ahead 14-10 with a 35-yard scoring toss to end Ricky Thompson.

Three touchdowns, two by Cefalo and one by Shuman, and another Bahr field goal gave Penn State a 34-14 lead with 3:32 remaining. But the Bears, who finished 8-4 for the year, refused to fold and with 19 seconds left reserve quarterback Mark Jackson teamed with Thompson for a 11-yard touchdown.

On the ensuing kickoff, Hicks tried an onside kick only to watch Lion Joe Jackson scoop up the loose pigskin and race 50 yards for another Penn State score with two seconds left.

Baylor junior safety Ken Quesenberry, who had 12 tackles and one interception, was named the game's most Outstanding Defensive Player. Defensive back Tom Turnipseede added 11 tackles for the Bears and also recovered a Donchez fumble.

Senior Phillip Kent, one of eight Baylor all-conference selections playing in the game, returned three Nittany Lion kickoffs for 58 yards.

Thompson and tight end Sam Harper each caught three passes.

Quarterbacks Mike Brannan and Mickey Elam passed for 86 yards each to spark the Baylor Bears to a 24-18 upset win over the 17th-ranked Clemson Tigers in Atlanta's Fulton County Stadium.

The win vaulted coach Grant Teaff's Bears into 14th place on the Associated Press' final college football poll. The 8-4 Bruins were beaten during the regular season by Alabama, Houston, Arkansas and Texas, all members of the top ten.

With the Tigers leading 7-0, Brannan teamed with Bo Taylor on a three-yard touchdown toss to knot the score following Robert Bledsoe's extra point. The tally came eight plays after Baylor recorded its first of two blocked punts against Clemson kicker David Sims.

The Bears forged ahead 14-7 with 12:20 left in the second quarter when Brannan, voted the game's Most Valuable Offensive Player, connected with Robert Holt for a 24-yard scoring strike.

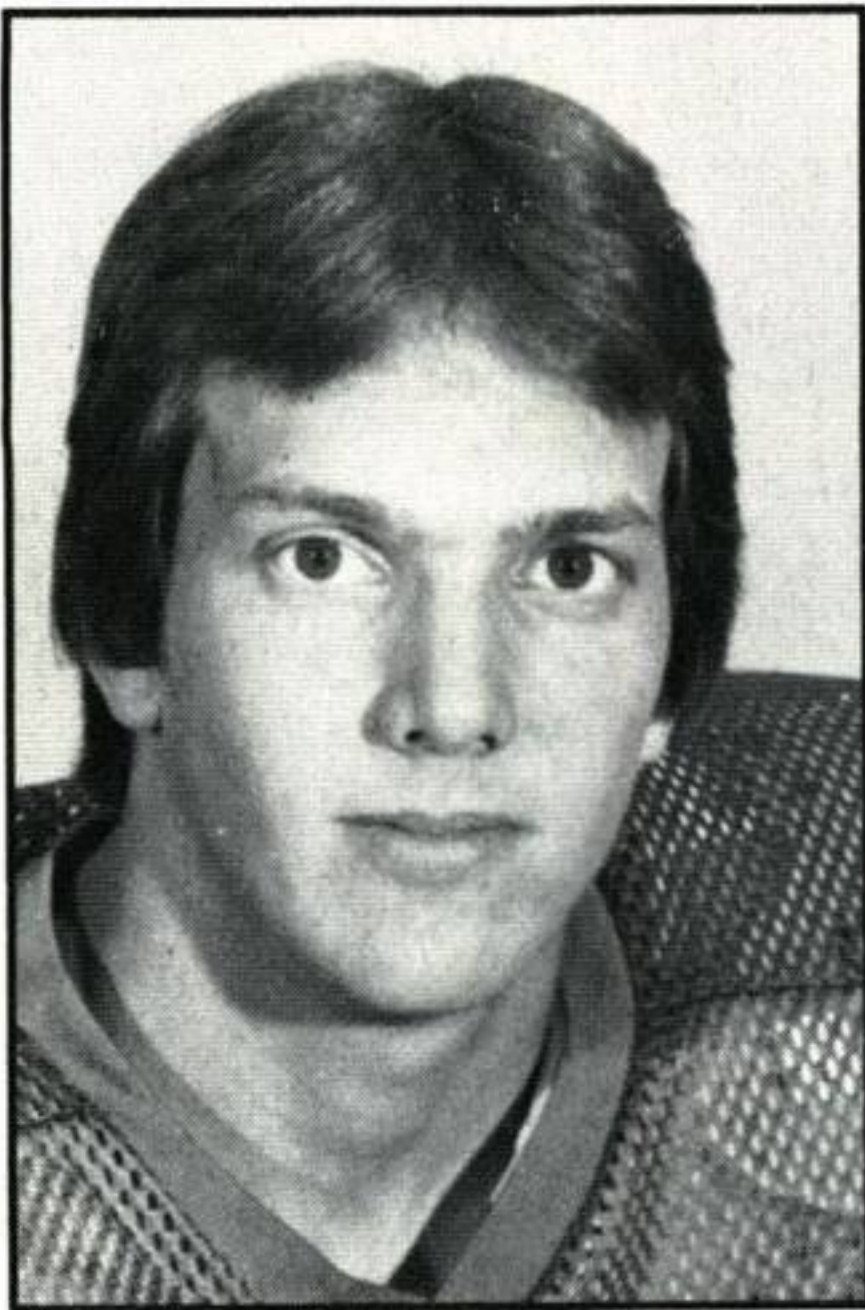

Baylor's final ten points resulted from a Bledsoe 29-yard field goal and a scoring pass from Elam to Raymond Cockrell that covered seven yards.

Senior defensive end Andrew Melontree, voted the game's Most Valuable Defensive Player, and linebackers Doak Field and all-America Mike Singletary led a Baylor defense that held an 8-3 Clemson offensive unit to 67 yards rushing.

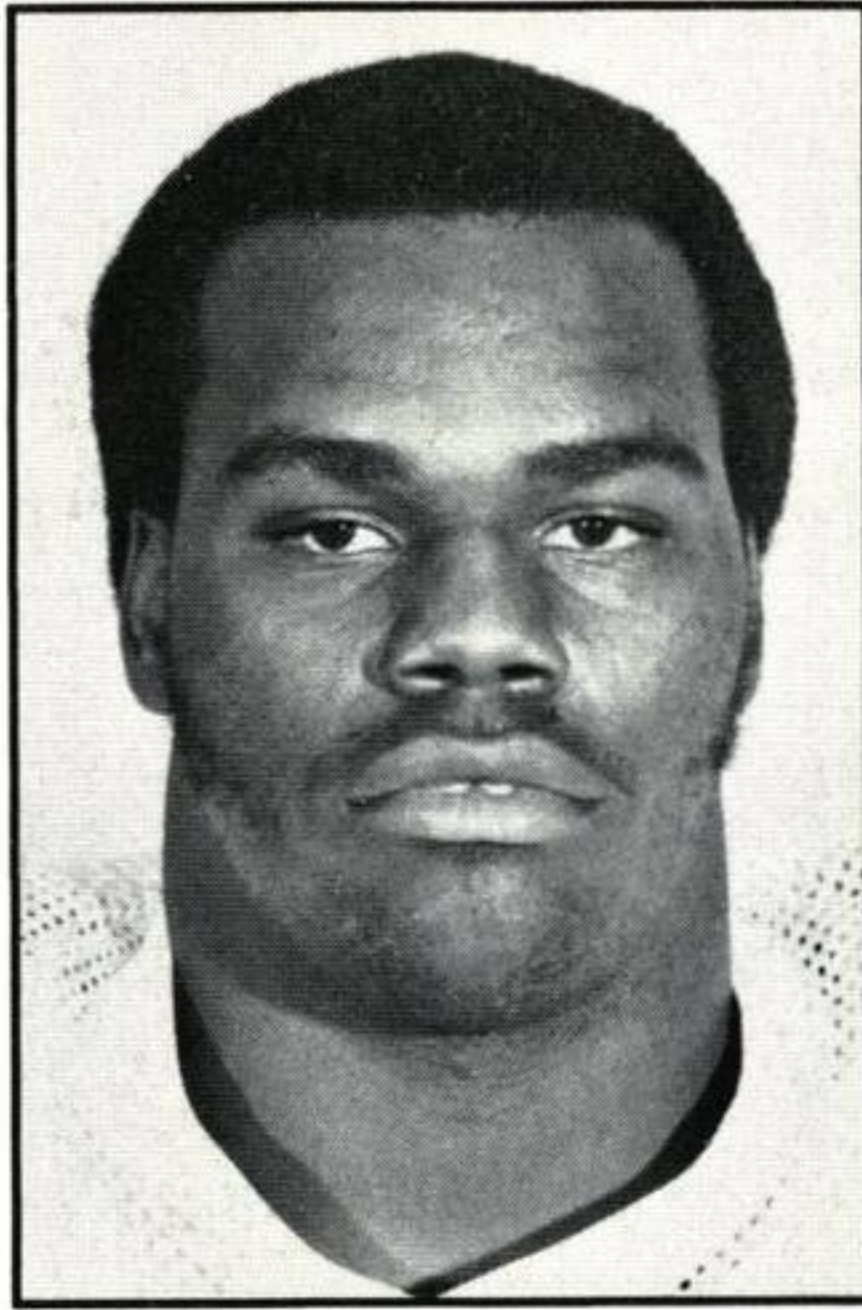

Elam and tailback Walter Abercrombie set a Baylor bowl record when the duo teamed for a 63-yard pass completion in the third quarter to set up Bledsoe's field goal.

Coach Paul "Bear" Bryant's Alabama Crimson Tide completely dominated Baylor in the 45th annual Cotton Bowl on their way to a 30-2 rout.

The Bears, ranked as high as sixth place in the nation during the regular season, closed an outstanding 10-2 and Southwest Conference championship campaign by dropping their second Cotton Bowl game in as many tries.

Alabama, who closed a 10-2 year with the win, took advantage of four Baylor fumbles and also intercepted three Bear passes to roll up a 339-158 total yardage advantage.

Three Peter Kim field goals and scoring runs by Major Ogilvie, Don Jacobs and Mark Nix put the Crimson Tide on the scoreboard while a Tommy Tabor first quarter safety made the only points the Bears could muster.

The league-leading Baylor offense netted 54 yards rushing, 18 by quarterback Jay Jeffrey. SWC champion runner Walter Abercrombie was held to nine yards on eight attempts by the Alabama defense.

Fullback Dennis Gentry was the leading pass receiver in the game, grabbing five receptions while Robert Holt added three others. Also, Gerald McNeil accumulated 100 yards in kickoff and punt returns for the Bears.

Tabor and all-conference linebacker Doak Field led the Baylor defensive charge with 15 stops each. All-America middle linebacker Mike Singletary, all-league safety Vann McElroy and linebacker Lester Ward each had 12 tackles for Baylor.

Baylor, following the New Year's Day defeat, dropped to 14th place in the final football poll.

Oklahoma State raced to a 21-0 lead in the first half before finally holding off Baylor, 24-14 in the 25th Annual Bluebonnet Bowl at the Astrodome.

Aided by a roughing-the-passer call and fine running by Alfred Anderson and Broderick Sargent, Baylor drove 87 yards in eight plays for its first score. Cody Carlson hit all-American Gerald McNeil with a 12-yard TD strike.

Oklahoma State scored its final points of the night on a 44-yard field goal by Larry Roach after Jim Mueller's onside kick attempt failed. The Cowboys drove from midfield to Baylor's 27-yard line before settling for the field goal with 21 seconds left in the half.

Rusty Hilger missed the second half after being knocked out by BU linebacker Robert Watters and was replaced by reserve quarterback Ike Jackson. Jackson moved OSU to the Baylor five early in the third quarter but Thomas Everett, Aaron Grant and Kevin Hancock led one of BU's best defensive stands of the year. Roach's field goal attempt was blocked by Ervin Randle.

Both of Baylor's interceptions came in the last period; Tom Muecke and Cody Carlson threw one each as the Bears hurried to catch up. McNeil took a 28-yard halfback option pass from Anderson and Marty Jimmerson kicked the PAT to cut OSU's lead to 10 with 5:14 remaining. Baylor's hopes were dashed for good when Muecke was trapped for a loss of five on fourth down with 1:10 showing on the OSU 45.

Hancock led Baylor defensively with 14 tackles while Paul Mergenhagen added 10.

Anderson was selected Baylor's MVP after rushing for 103 yards on 21 carries. McNeil's 163 yards receiving tied the individual bowl record set 20 years earlier by another Bear—James Ingram.

BAYLOR	7	3	0	8-21

Baylor fashioned one of its finest bowl efforts ever in beating LSU 21-7 in the 27th Liberty Bowl Football Classic.

The Bears dominated virtually every phase of the game. They gained 489 yards total offense to the Tigers' 192. Baylor led in first downs (26-9), rushing yards (215-92), passing yards (274-101), yards per snap (5.4-3.3) and time of possession (37:14-22:46).

The Baylor defense played so well the second half LSU gained only 72 yards on 26 plays. In the third quarter the Tigers had 11 yards total offense on nine snaps.

LSU got on the board first with a 79-yard Norman Jefferson punt return. That play, a Liberty Bowl record, came with 5:17 remaining in the first quarter and turned out to be LSU's only fireworks of the cool, clear evening.

The Bears took the ensuing kickoff and marched 80 yards in seven plays to knot the score at seven. On a third and goal from the five, quarterback Cody Carlson hit a diving Matt Clark in the corner of the end zone. Terry Syler added the extra point.

Syler made it 10-7 with his 29-yard field goal with 5:36 left in the first half and upped the score to 13-7 with a 35-yarder early in the third quarter.

Baylor's final tally came when Carlson connected with John Simpson on a 15-yard scoring strike with 10:42 left to play. The junior quarterback, who was named the game's Most Valuable Player, then hit Clark for a two-point conversion, making the final score 21-7.

In addition to Carlson, Simpson was named Baylor's Outstanding Offensive Player on the strength of his three catches for 117 yards, including a 59-yarder which helped set up a Syler field goal. Cornerback Ron Francis, who had an interception, fumble recovery and six tackles was named Baylor's Outstanding Defensive Player.

BAYLOR-21 Colorado-9

Baylor's defense, led by Most Valuable Player Ray Berry, stymied Colorado's wishbone offense to key a 21-9 Bear win in the 28th Bluebonnet Bowl.

The Bears limited the Big Eight runner-up Buffaloes to only 194 total net yards, 83 of which came on the ground. Berry, called a "one man wrecking crew" by sportswriters after the game, accounted for 12 tackles, three of which resulted in 12 yards in losses.

With the win Baylor finished the season 9-3 and ranked as the Southwest Conference's highest team in the national polls. Sports Illustrated listed the Bears in the No. 8 spot while the Associated Press ranked BU No. 12 and the United Press International No. 13.

Colorado found out early what kind of day it would be for the Baylor defensive squad. They managed only one field goal and 77 yards total offense in their first eight possessions through nearly three quarters of play. Meanwhile, Baylor's offense did what it had to do, scoring a touchdown in each of those first three quarters.

The first Bear TD capped a 12-play, 64-yard drive in the first quarter. The drive was kept alive by a CU offsides penalty when Baylor was in punt formation. The highlight play was a 22-yard run off tackle by Derrick McAdoo down to the Colorado five. Four plays later, McAdoo, a senior from Houston, dove over from the one on a fourth-down play.

Baylor next hit pay dirt midway through the second stanza. It took only three plays to go eight yards after Keith Rose recovered an errant Colorado pitch. Quarterback Cody Carlson hit flanker Darnell Chase in the corner of the end zone on a two-yard scoring strike.

Another turnover gobbled up by the BU defense set up Baylor's final score. Robert Watters sacked the Buff QB and Berry recovered on the 21. It took only four plays, one of which was a 17-yard shot from Carlson to Matt Clark, before McAdoo tied the BU school record with two TDs in a bowl game.

The rest of the way it was just a matter of letting the defense do its thing while younger players got valuable experience. Carlson saw no action in the fourth quarter because of a bruised shoulder.

In addition to scoring twice McAdoo led Bear rushers with 36 yards. Jeffrey Murray was right behind with 35. Carlson completed 11 of 22 passes for 136 yards and Clark was the biggest recipient. He caught three for 58 steps.
